Transforming Interiors Into Extraordinary Spaces

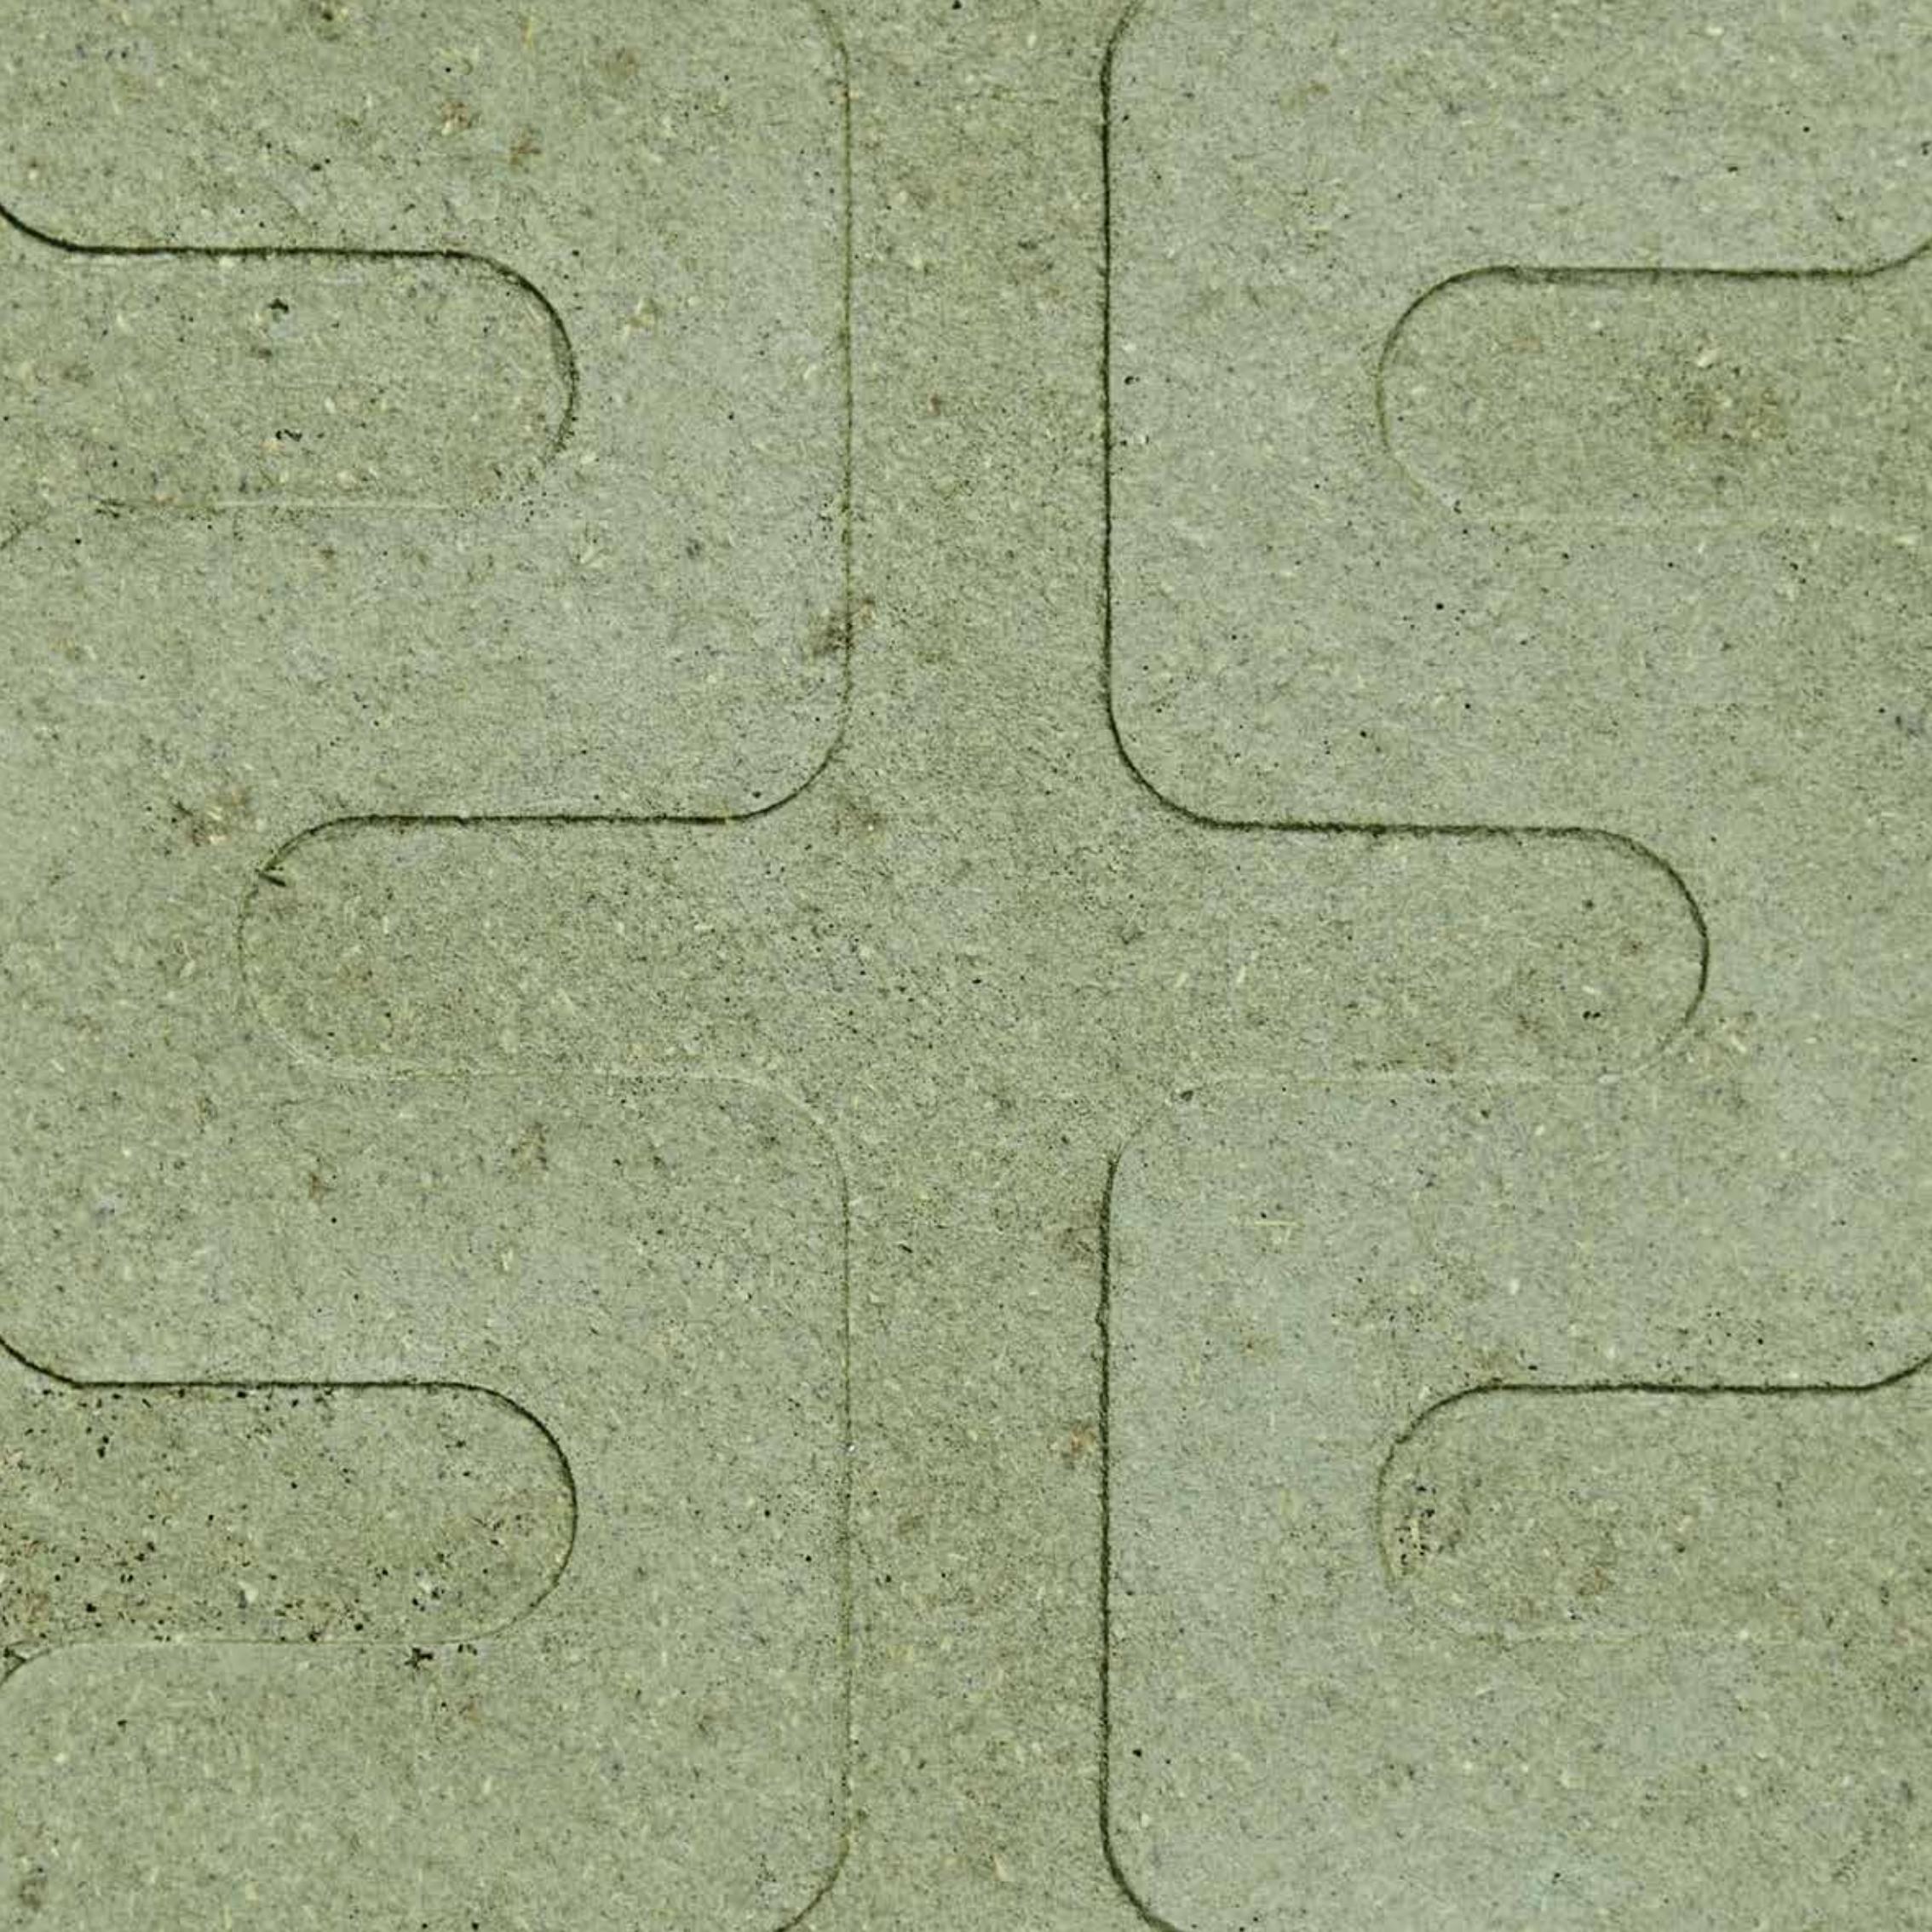

Just when you think you've seen it all, something comes along to let you know there's plenty left to see. Welcome to DUZST. It's a whole new brand of patented wall coverings available in a wide variety of patterns, colour finishes and sustainable options. What's more, it's suitable for residential properties and commercial enterprises alike.

Refresh

Foraged and collated materials or bi products created for natural warmth.

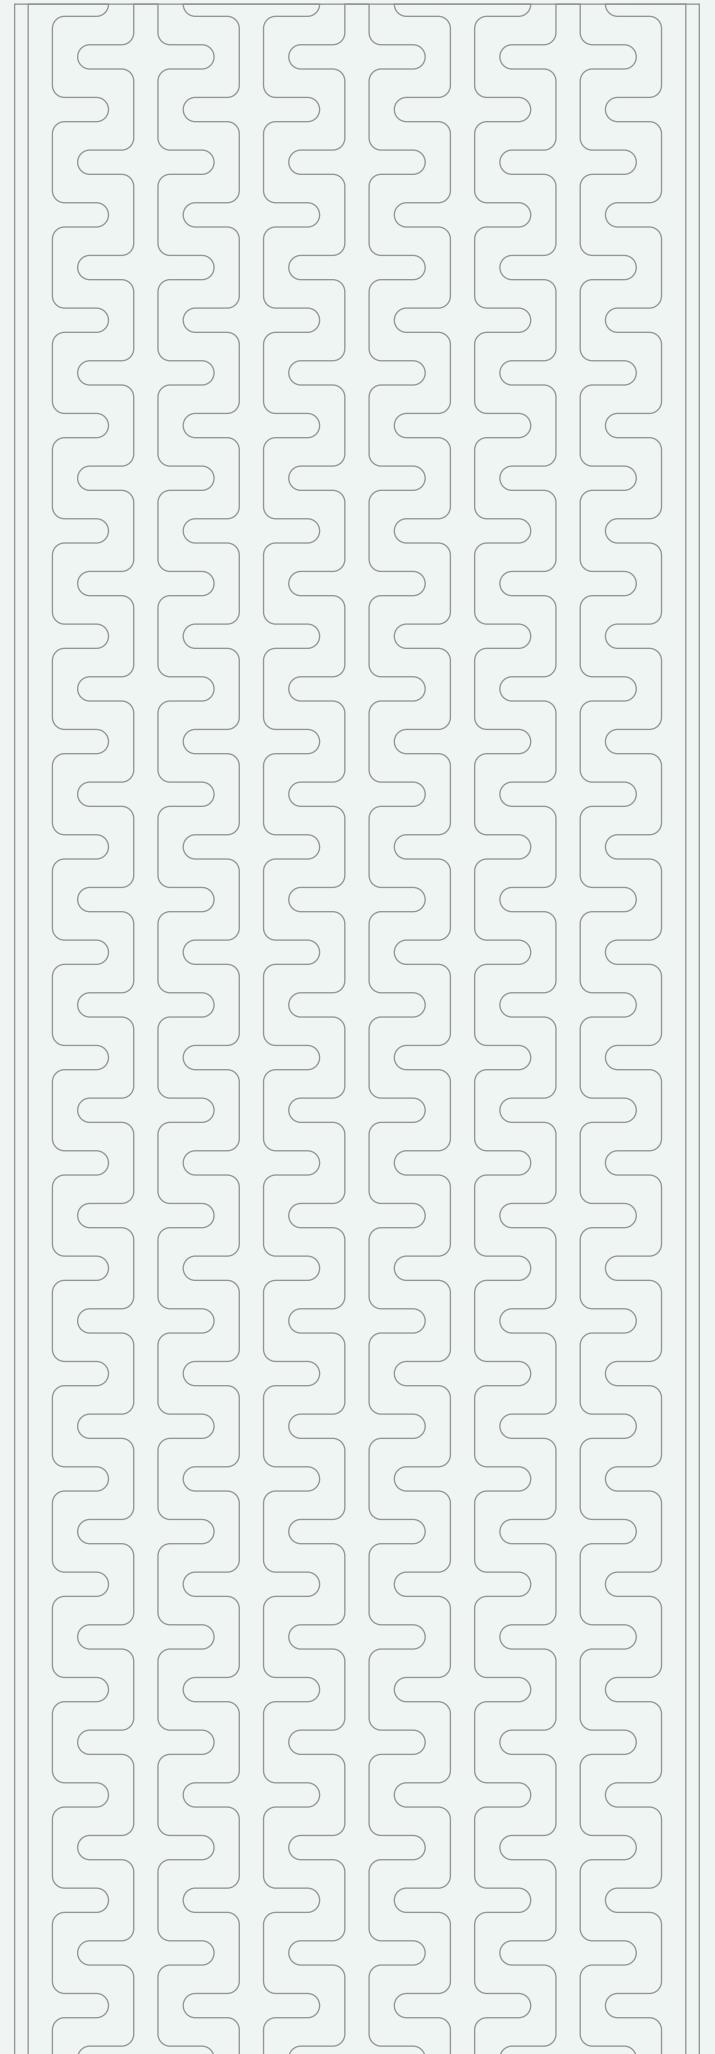

Sheet/roll size: 1000x3000mm

Norwegian Pine

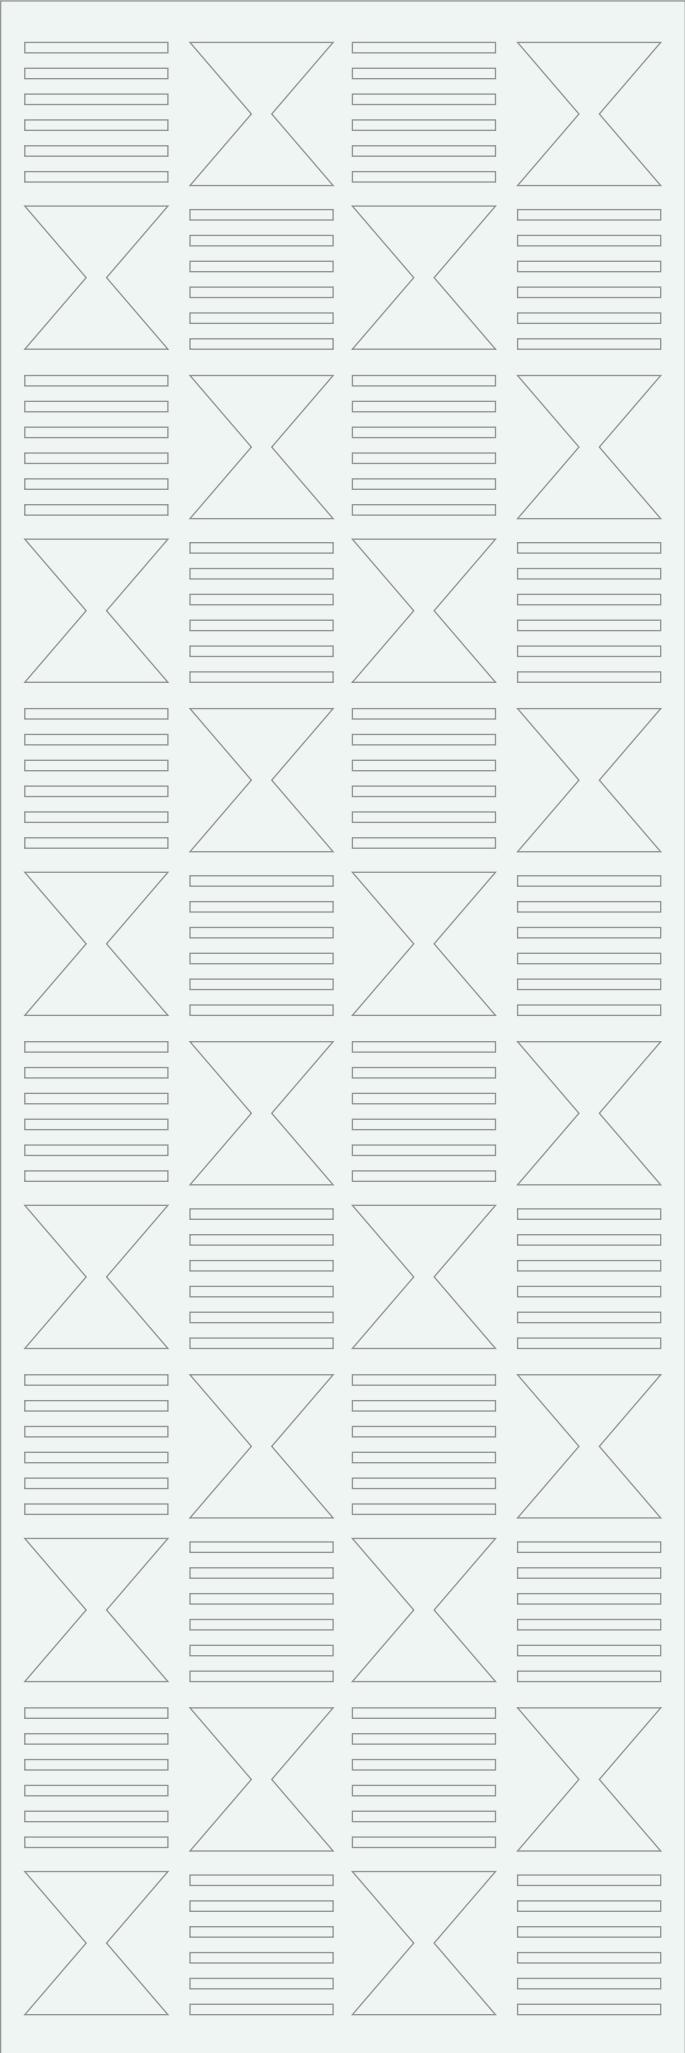

Embrace the natural allure of the Nordic forests. Crafted from sustainably sourced pine, it brings warmth and tranquility to any space, creating a cozy and inviting atmosphere.

Hawaiian Charcoal

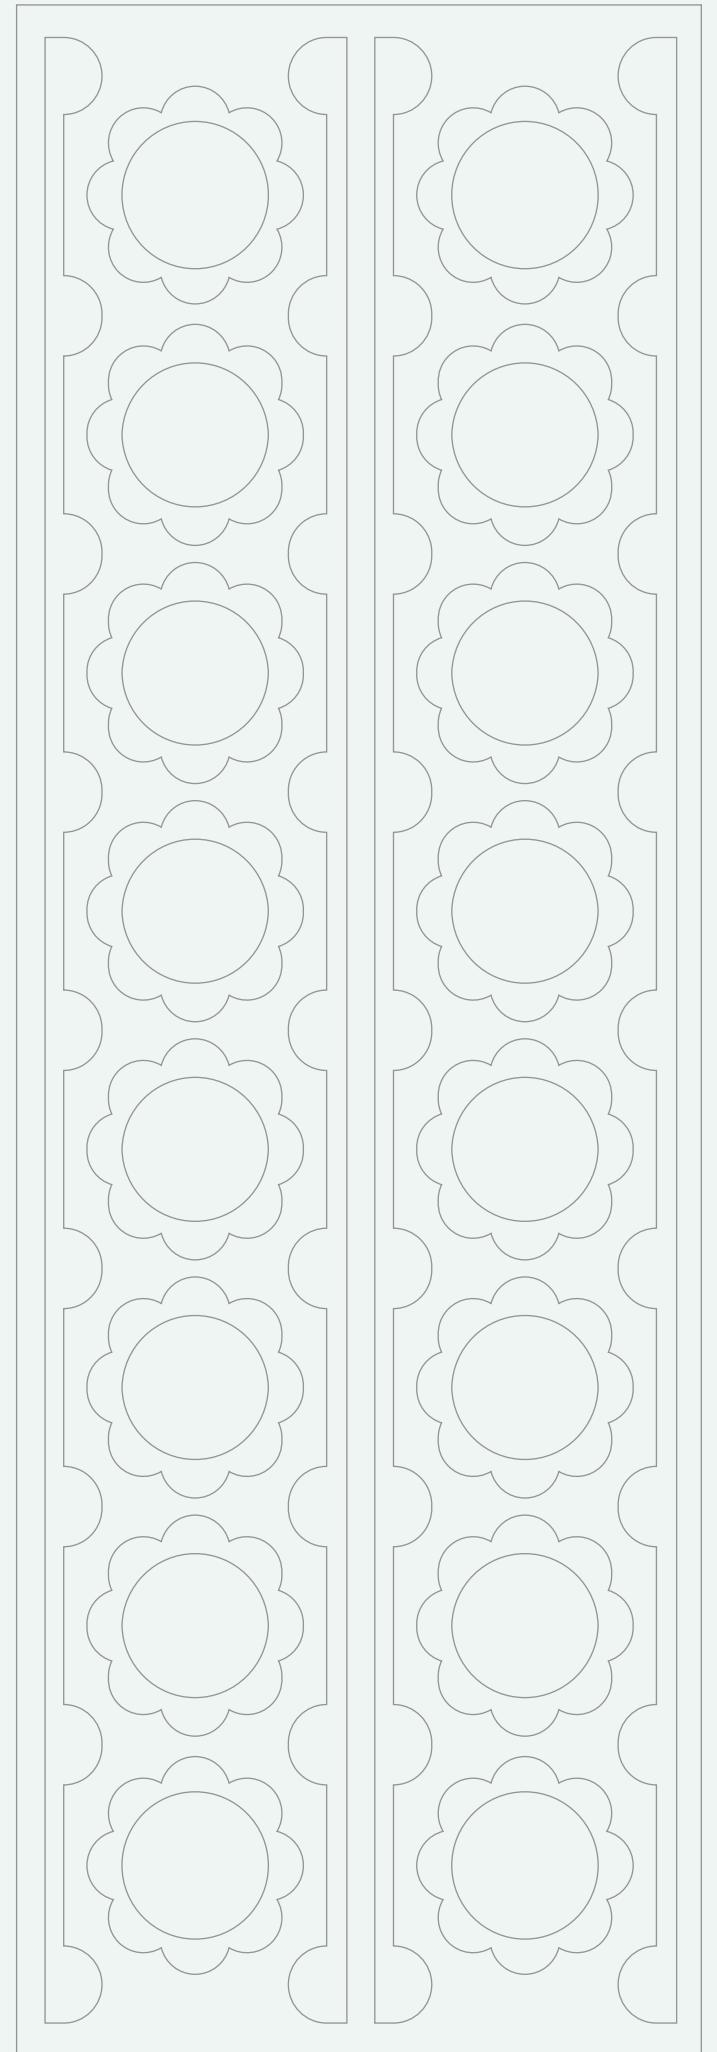

Experience the striking beauty of volcanic landscapes. Made from charred remnants this unique material adds a touch of exotic elegance to interiors, while conveying a sense of strength and mystique.

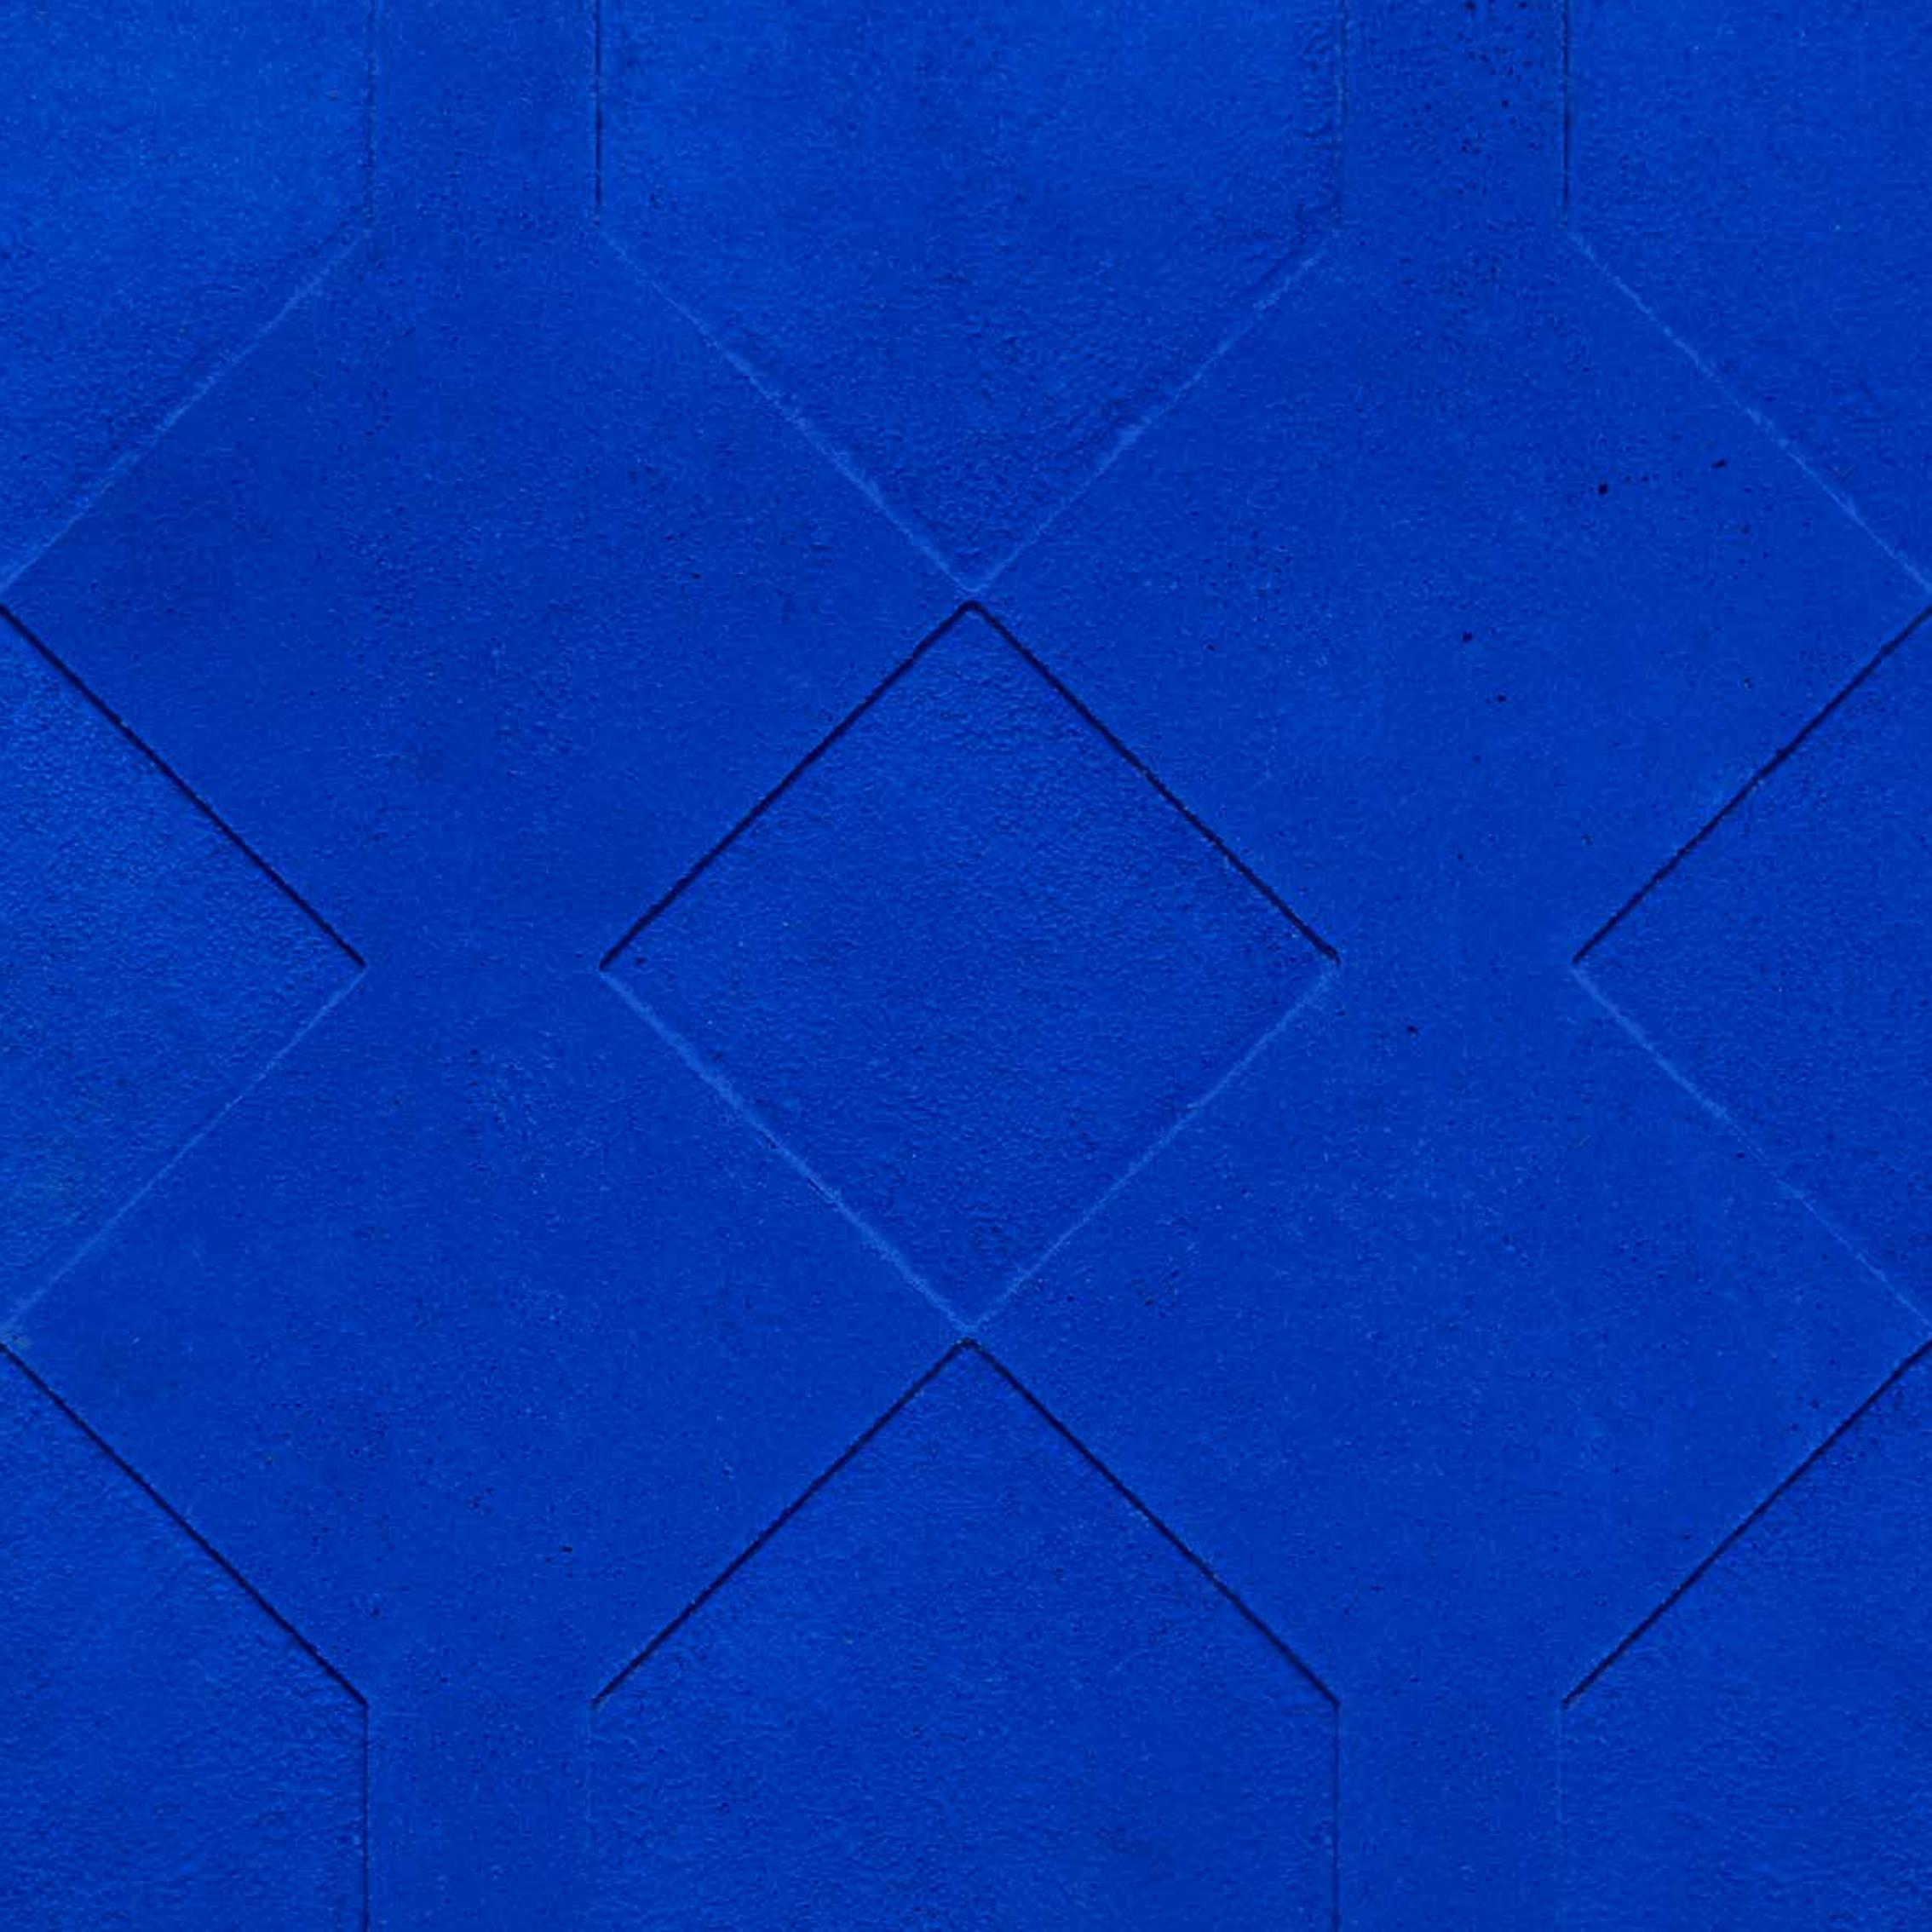

Indian Sage

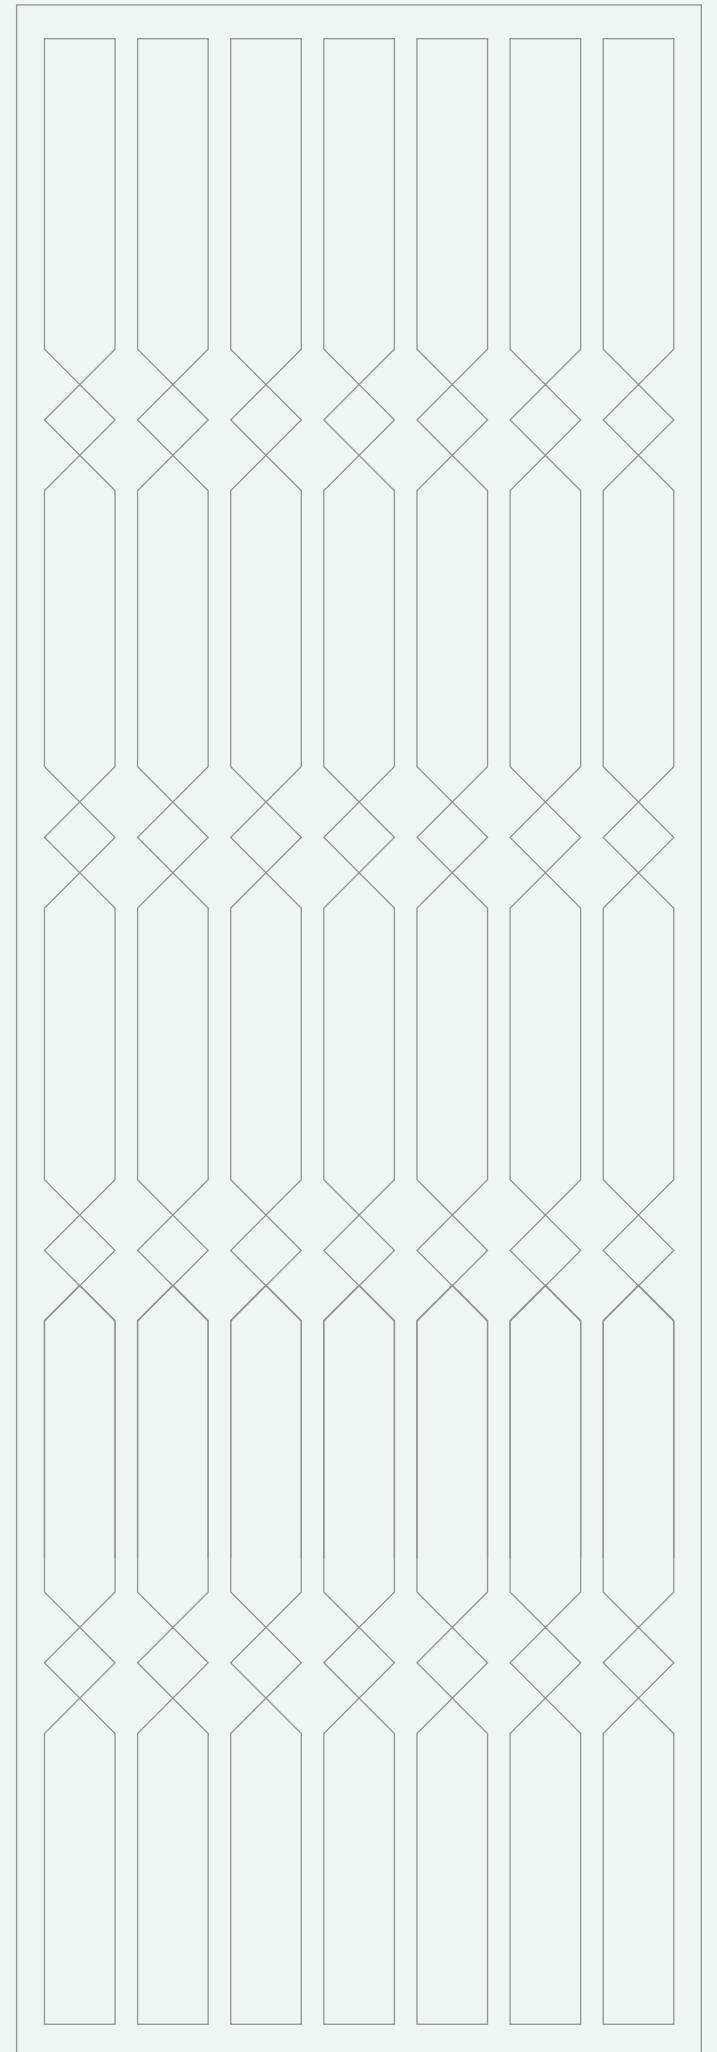

Infuse your surroundings with a sense of serenity and harmony. Derived from handpicked sage leaves sourced from a picturesque landscapes of India, it brings a touch of nature indoors, creating a calming and rejuvenating ambiance.

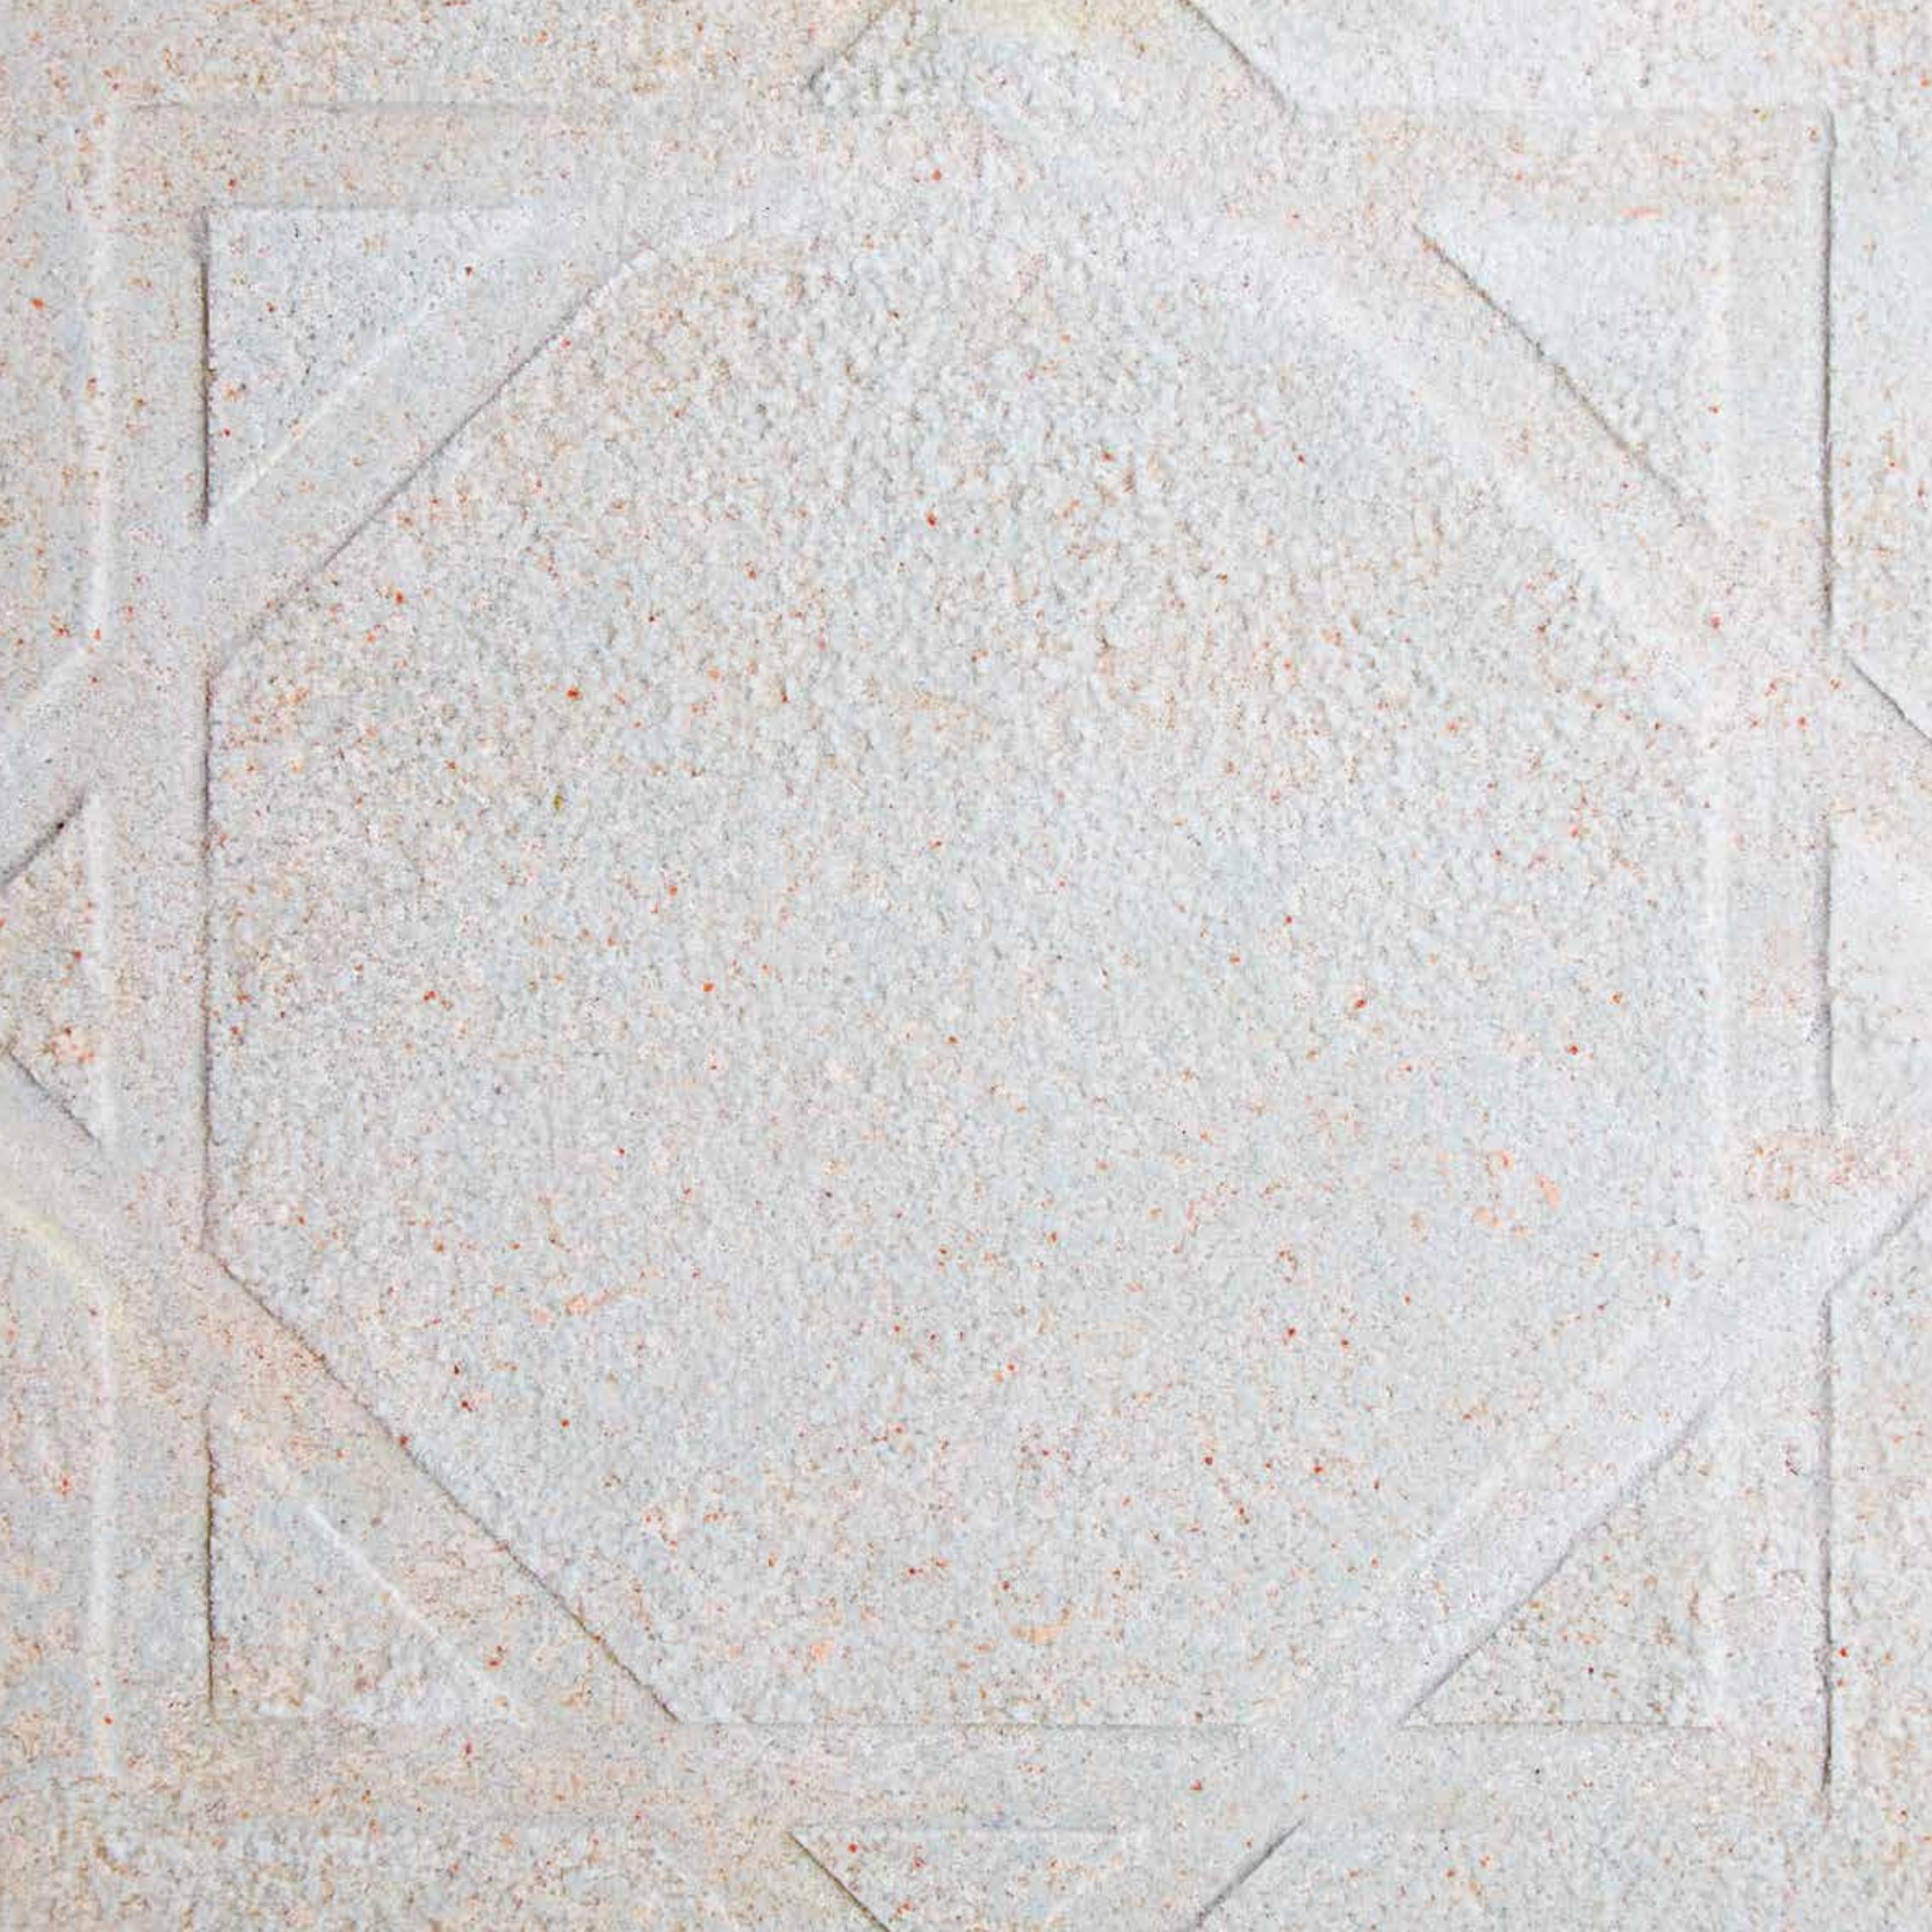

Aegean Mineral

Dive into the captivating hues of the Aegean Sea. Crafted from ethically sourced minerals, it captures the mesmerising blues and greens of the Mediterranean, transforming your space into a tranquil oasis of coastal beauty.

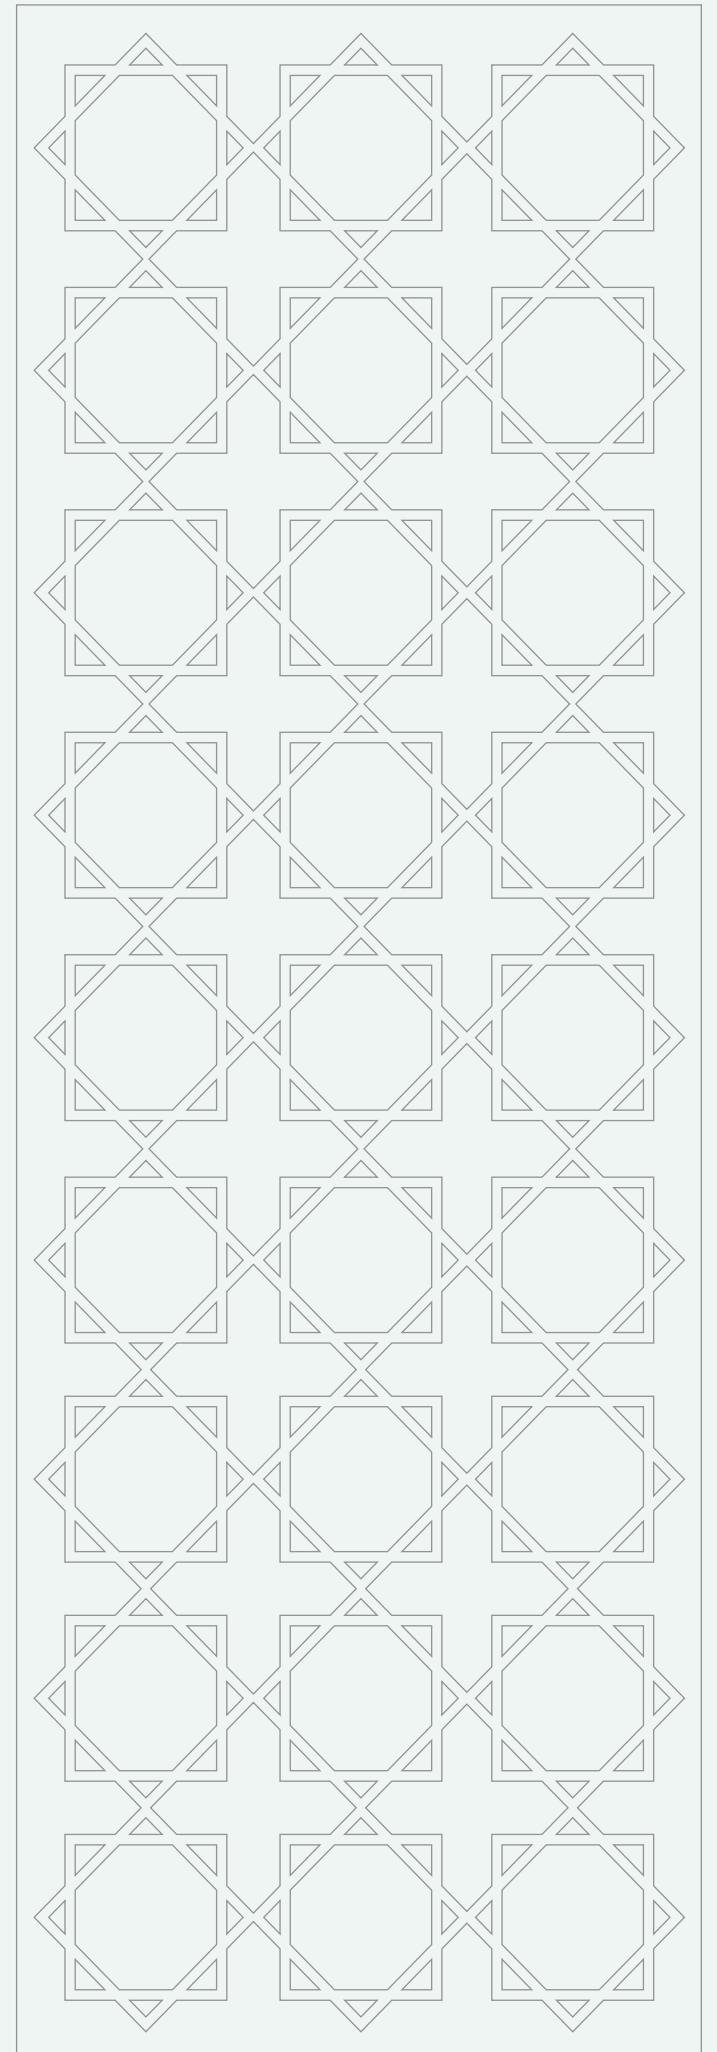

Himalayan Salt

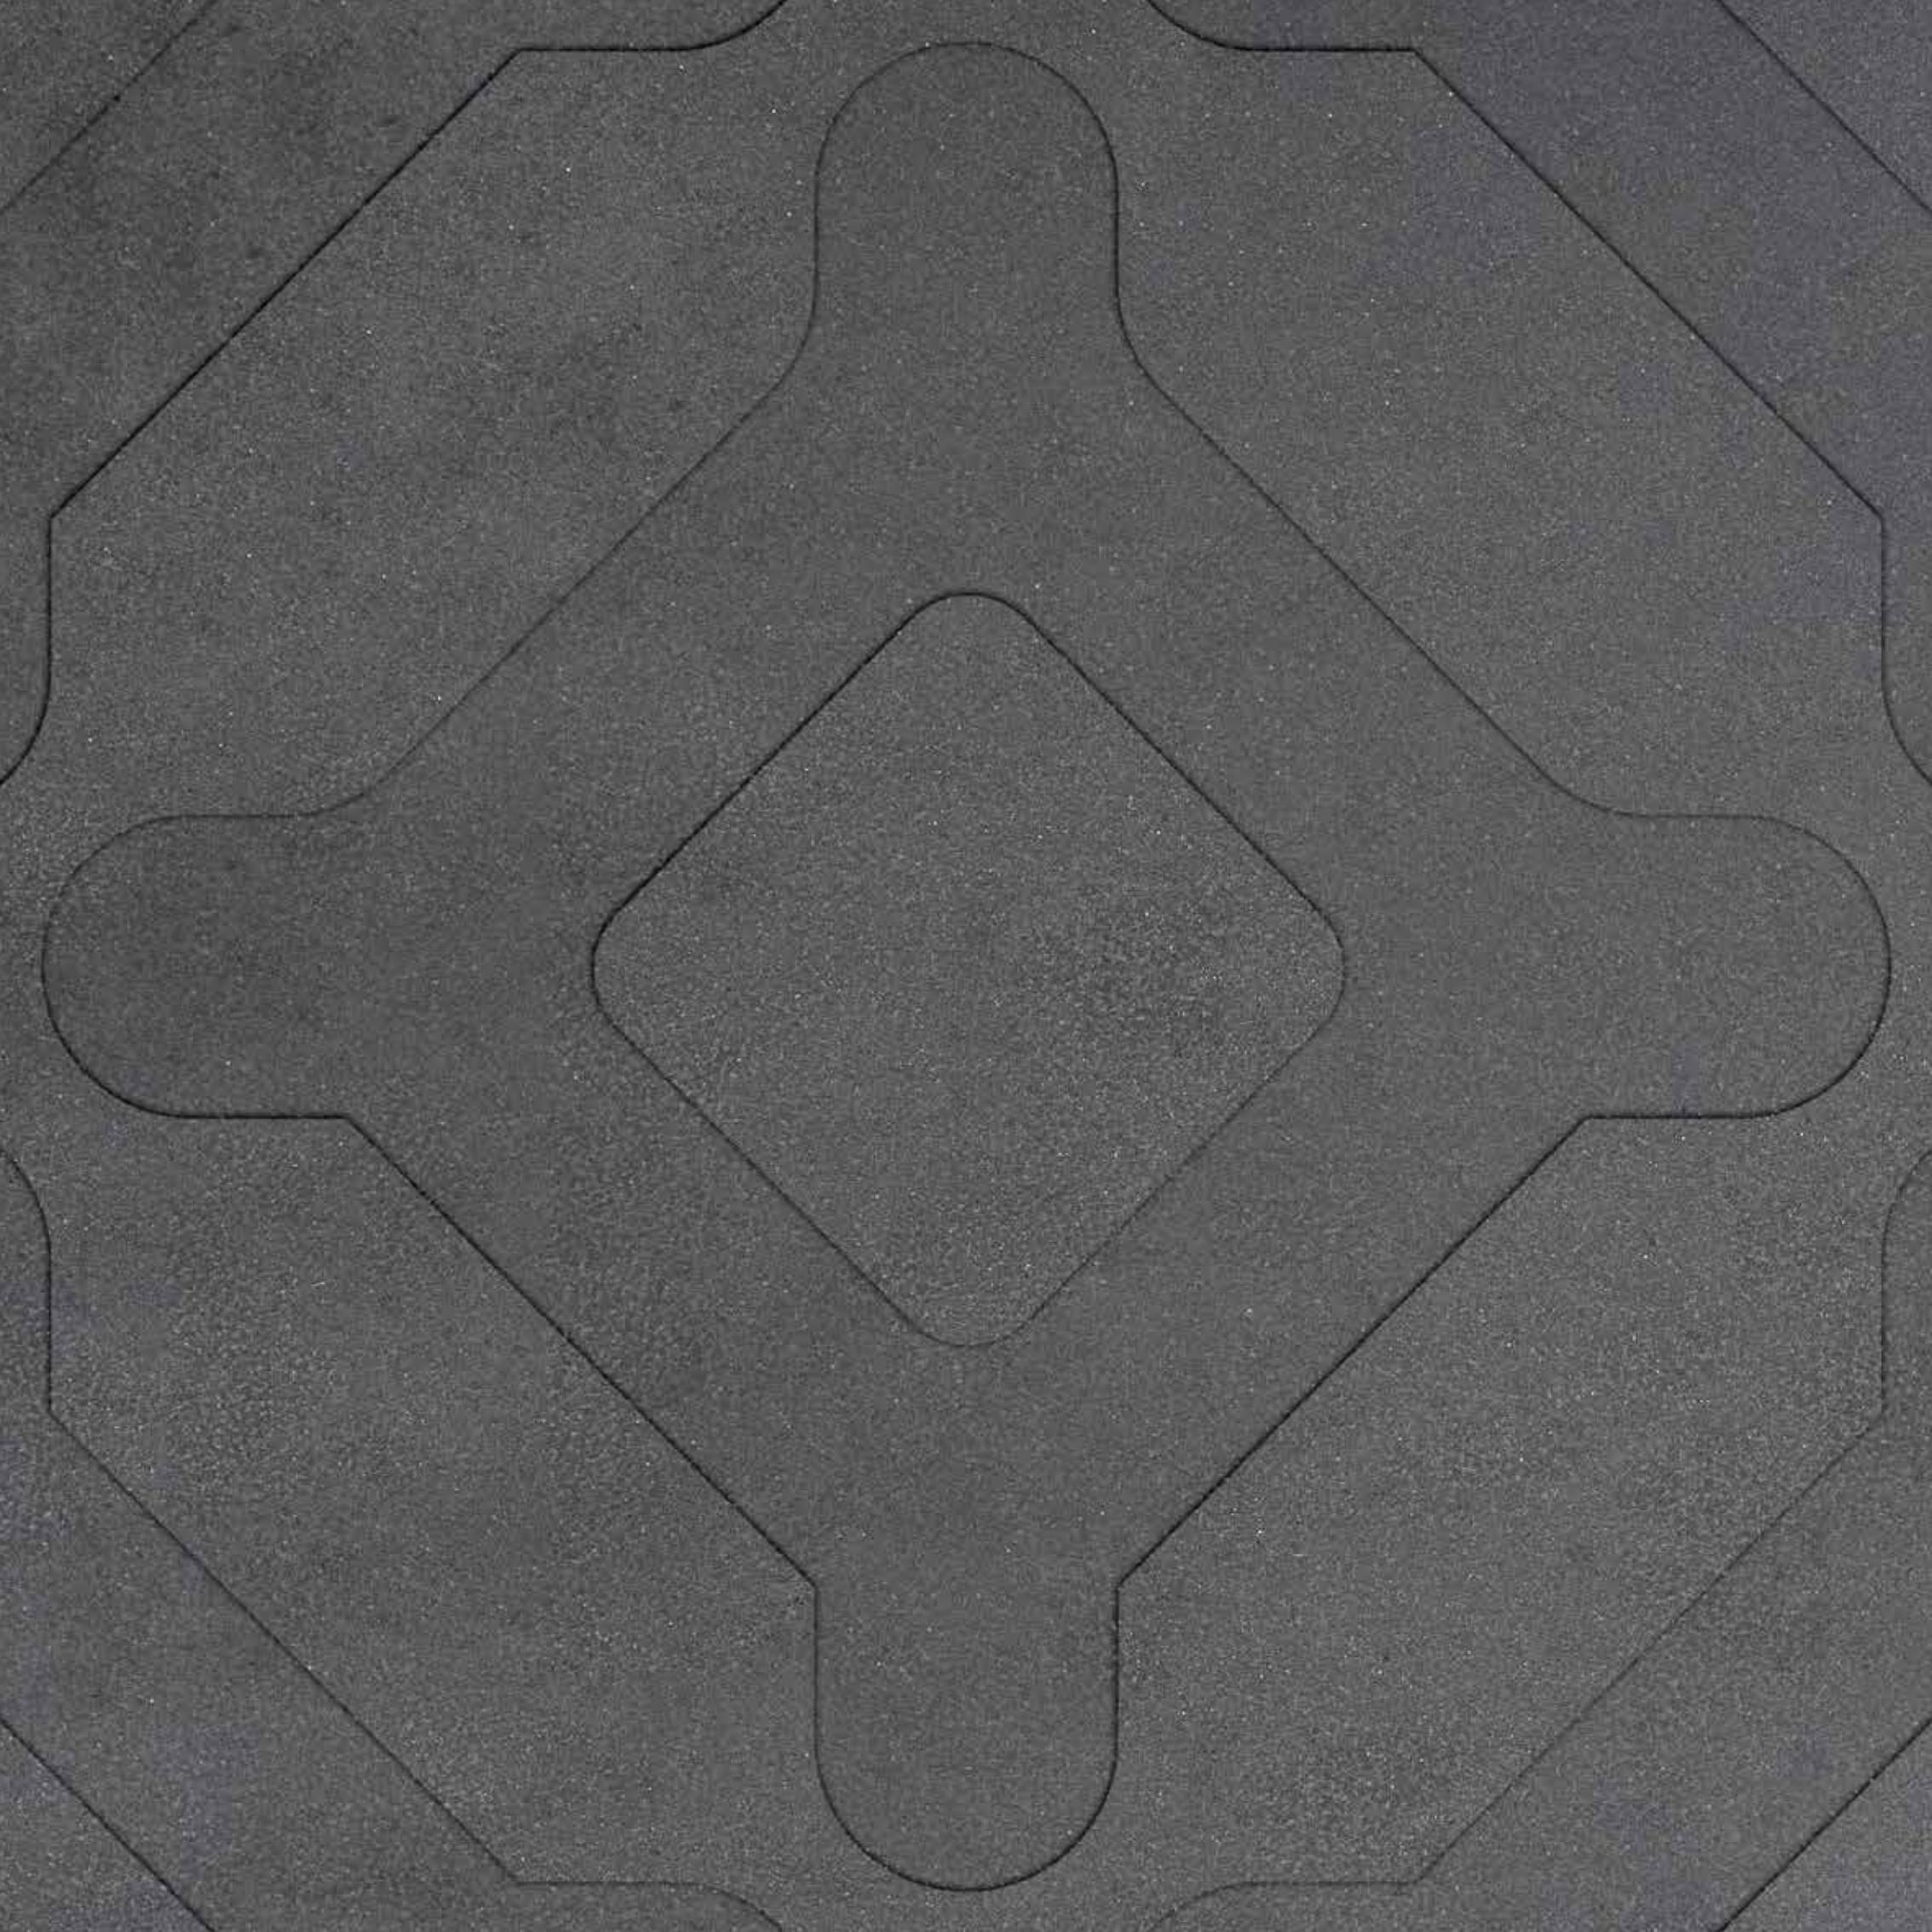

Unleash the healing power of the Himalayas. Crafted from pure Himalayan salt crystals, it not only adds a touch of natural elegance to your interiors but also emits negative ions, purifying the air and promoting a sense of well-being.

Restore

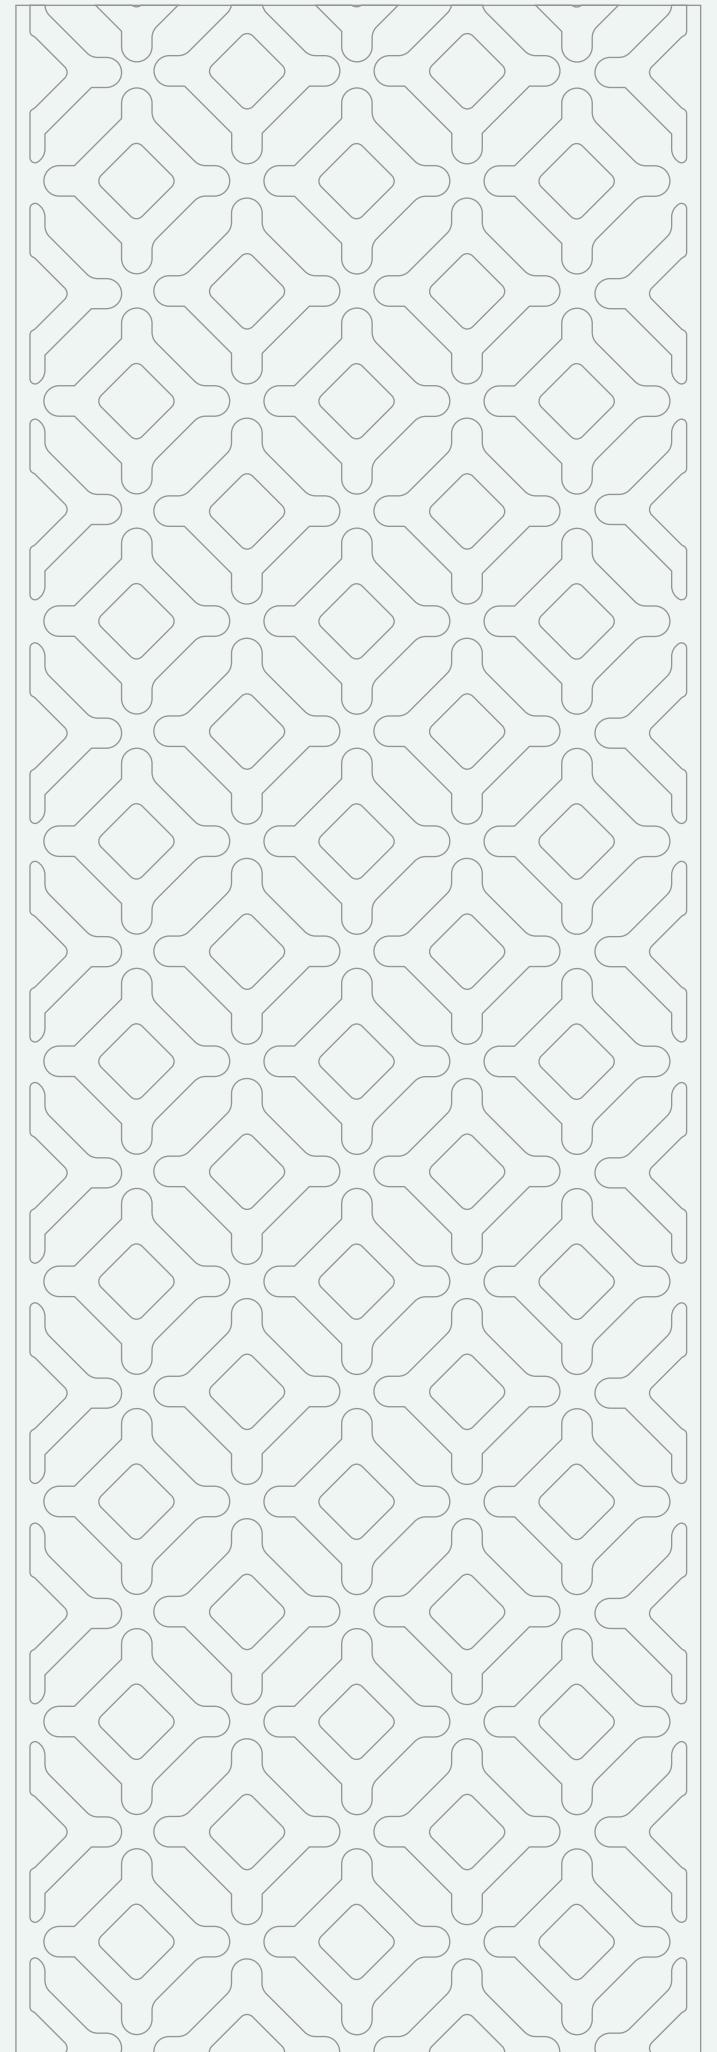

Commercial waste re-imagined to
create beautiful spaces.

Sheet/roll size: 1000x3000mm

Fly Ash

Discover the beauty in industrial waste. By repurposing fly ash, a byproduct of coal combustion, it transforms discarded materials into stunning, textured surfaces, breathing new life into your interiors while promoting sustainability.

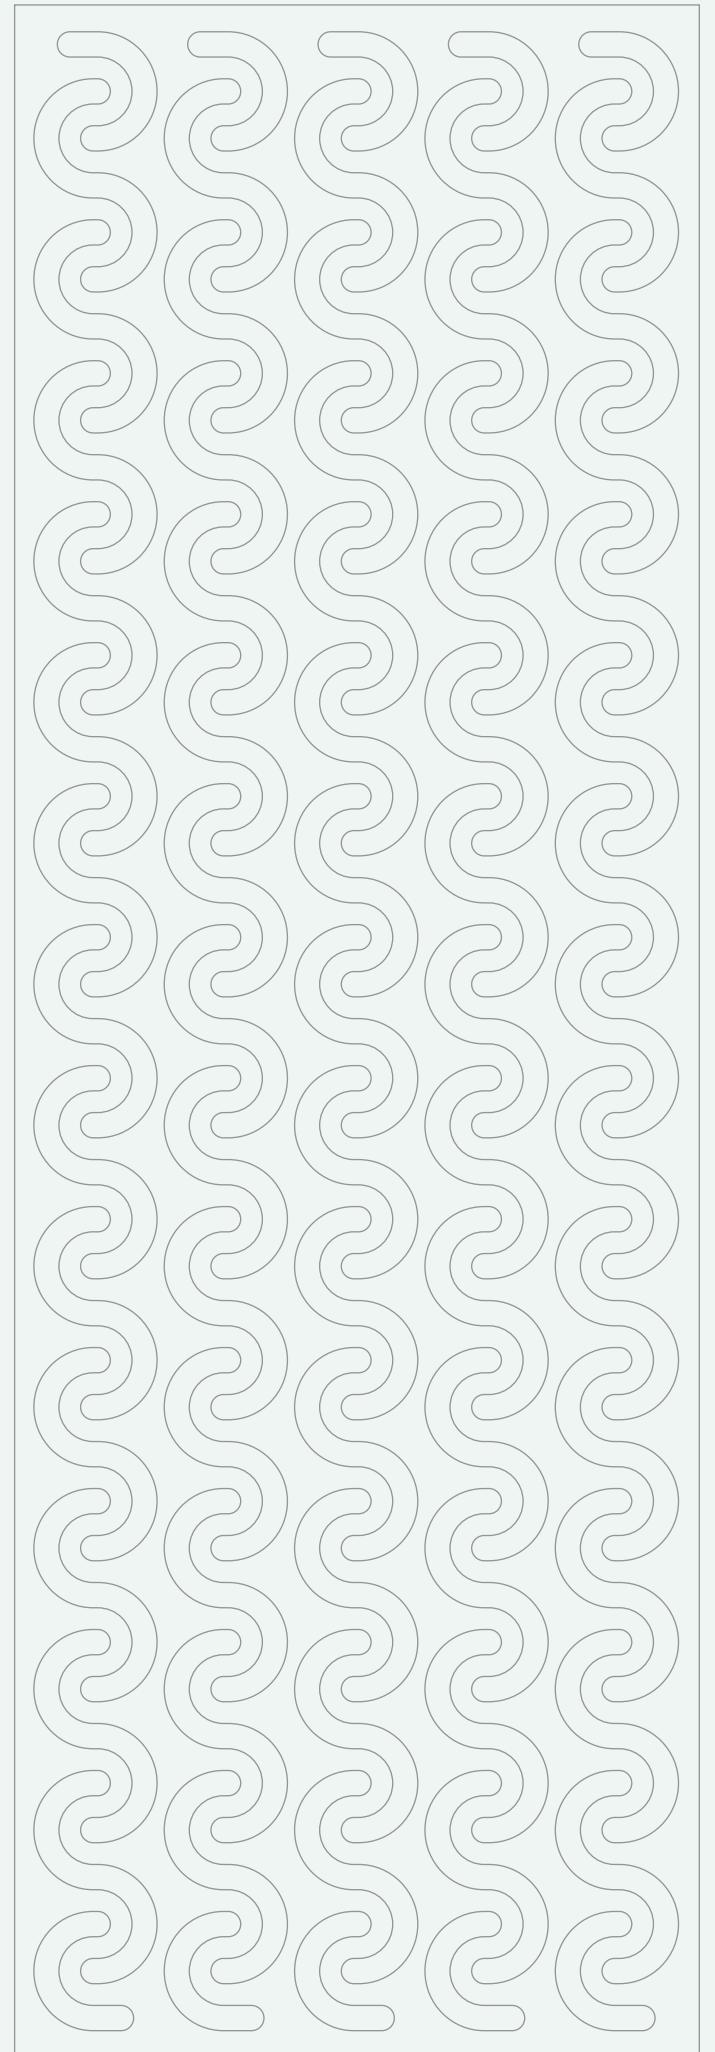

Waste Coffee

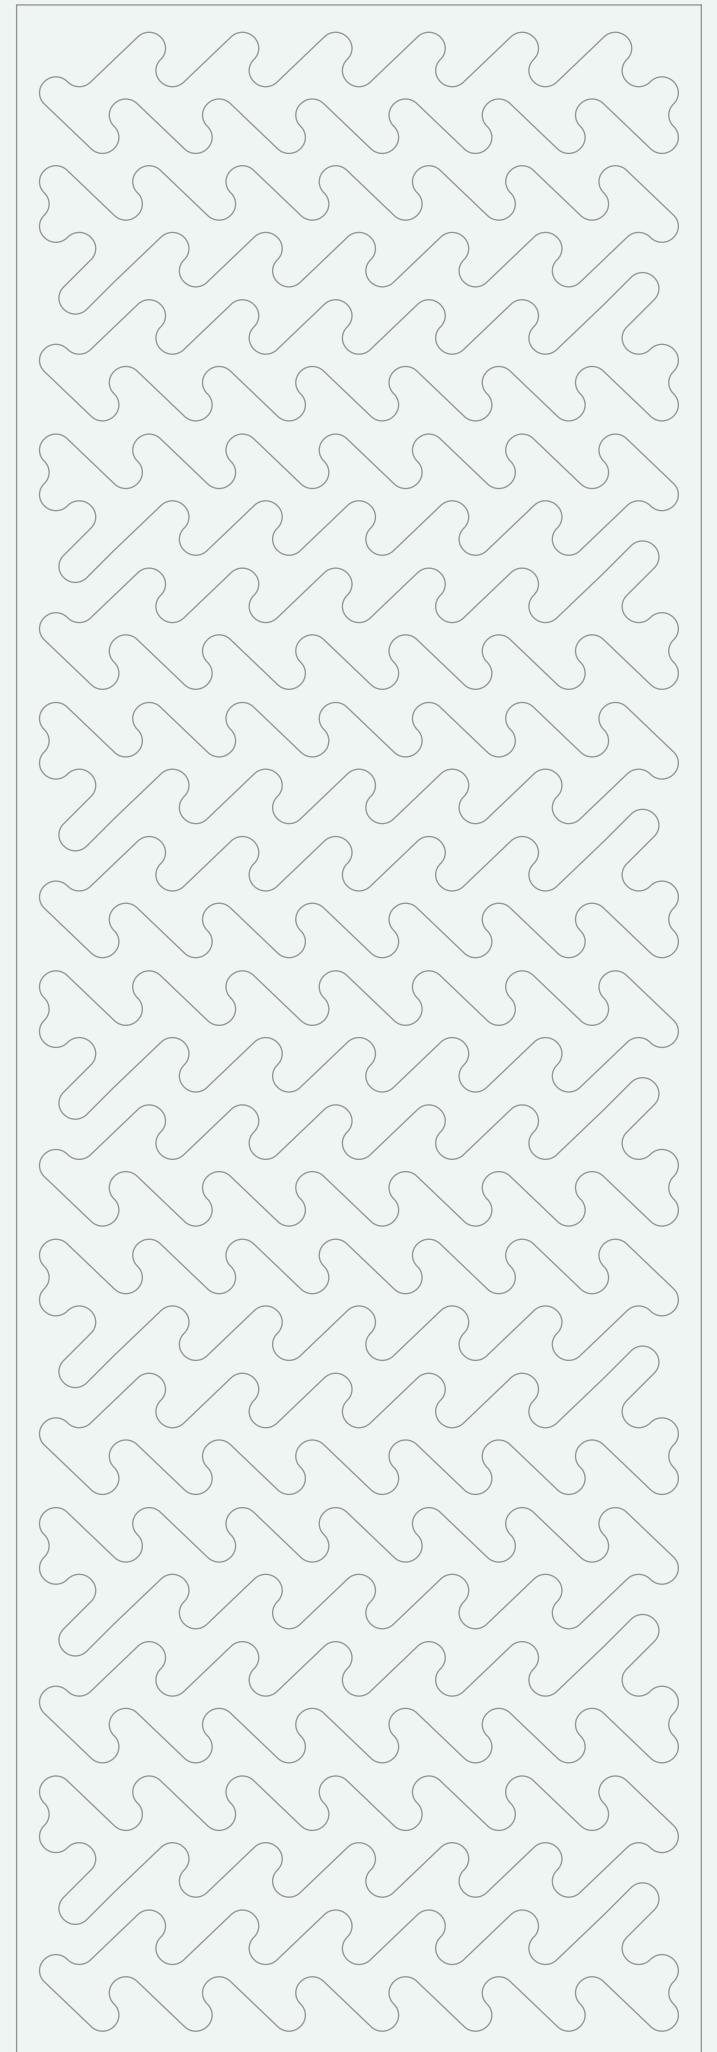

Indulge your senses. Created from reclaimed coffee grounds, it brings a rich, aromatic ambiance to your space while reducing waste. Let the essence of coffee permeate your interiors, energizing and inspiring your surroundings.

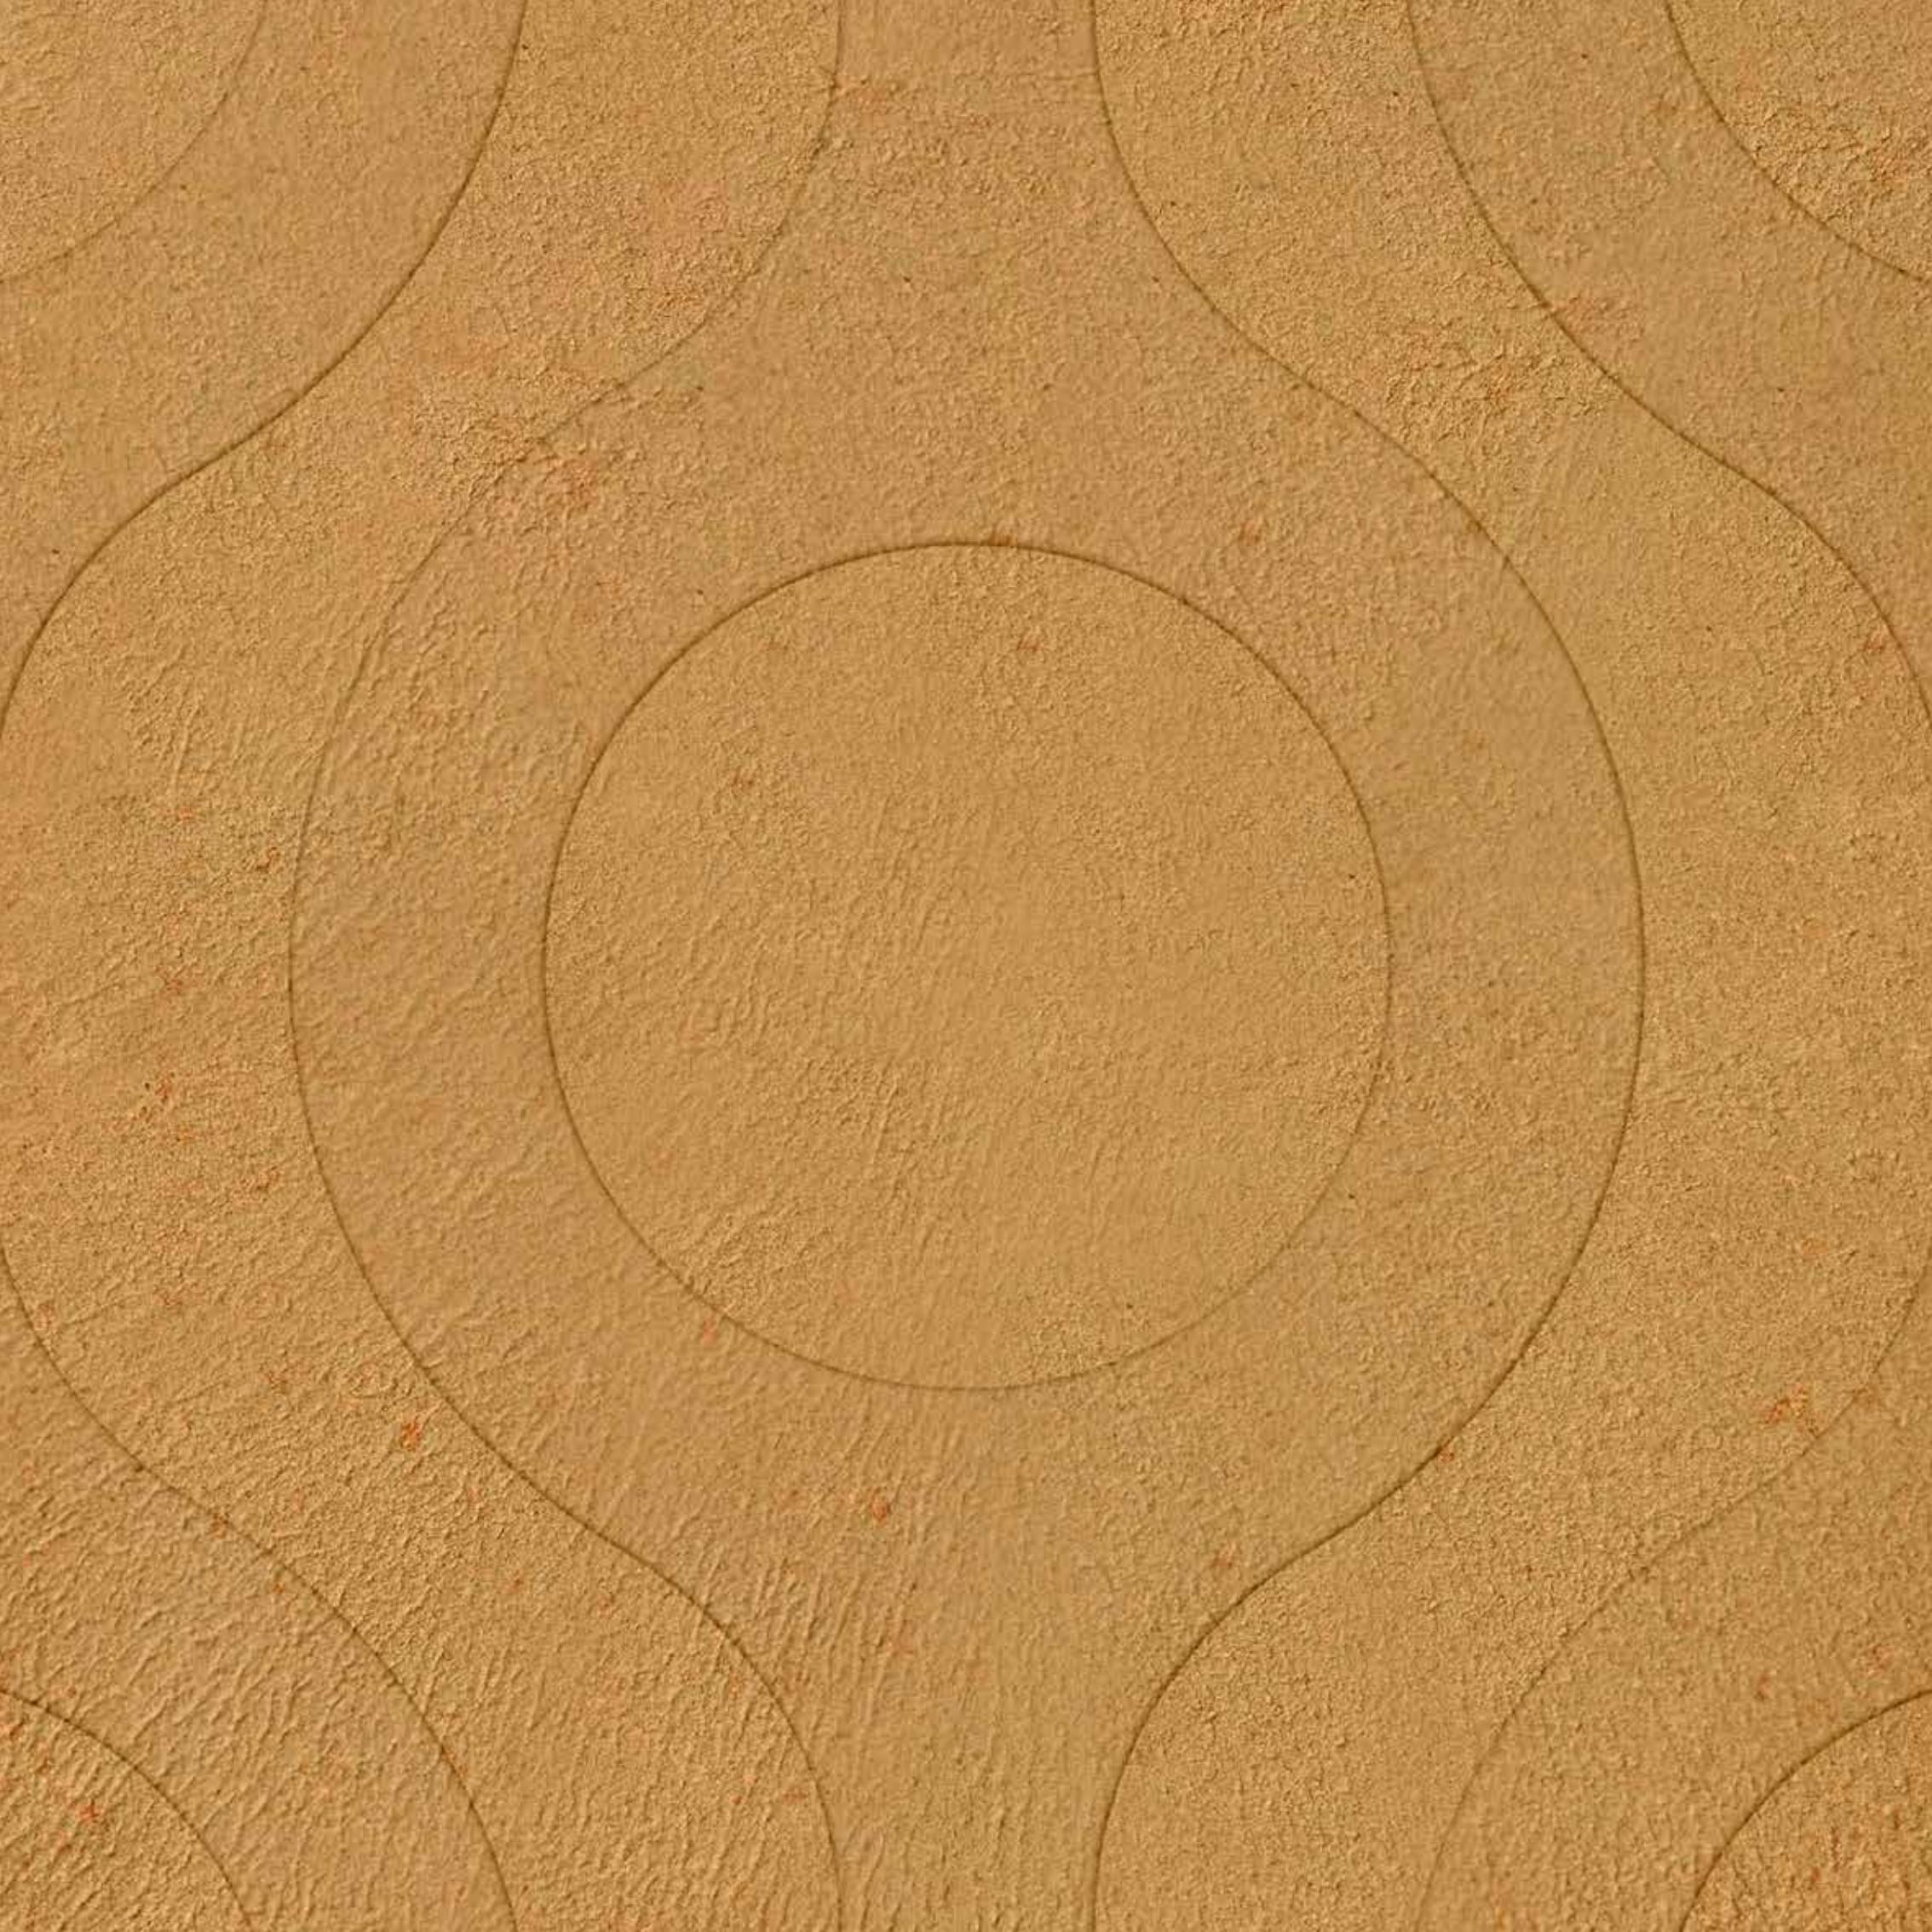

Leather Off-Cuts

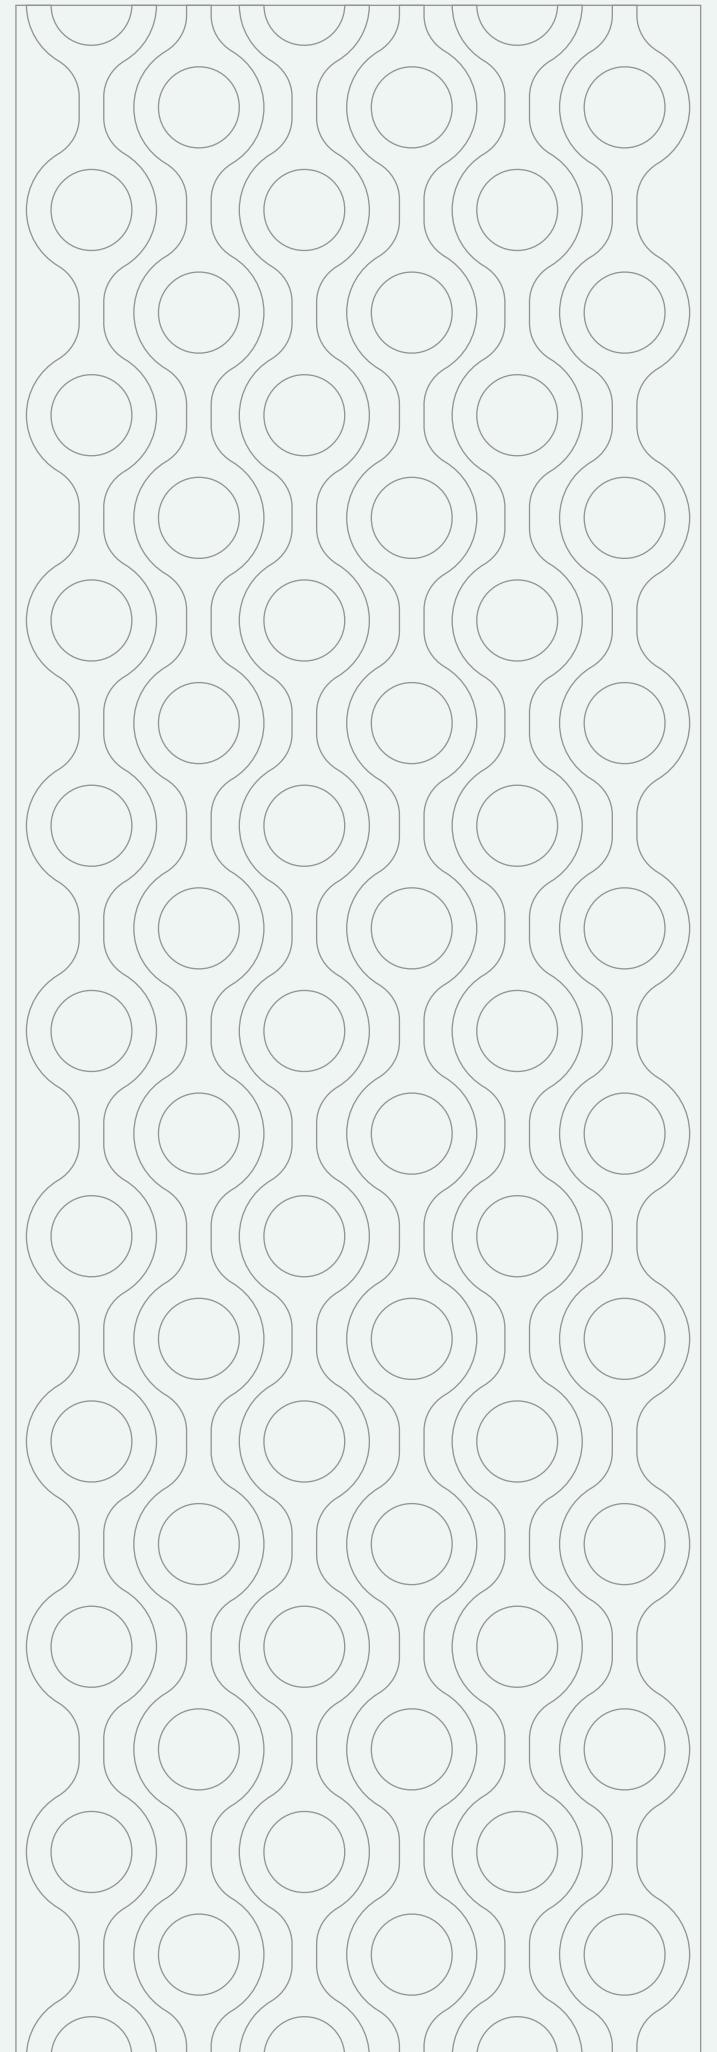

Experience the luxury of repurposed elegance. Crafted from reclaimed leather remnants, it adds a touch of sophistication and texture to any space, showcasing the beauty of upcycled materials while reducing environmental impact.

Orange Peel

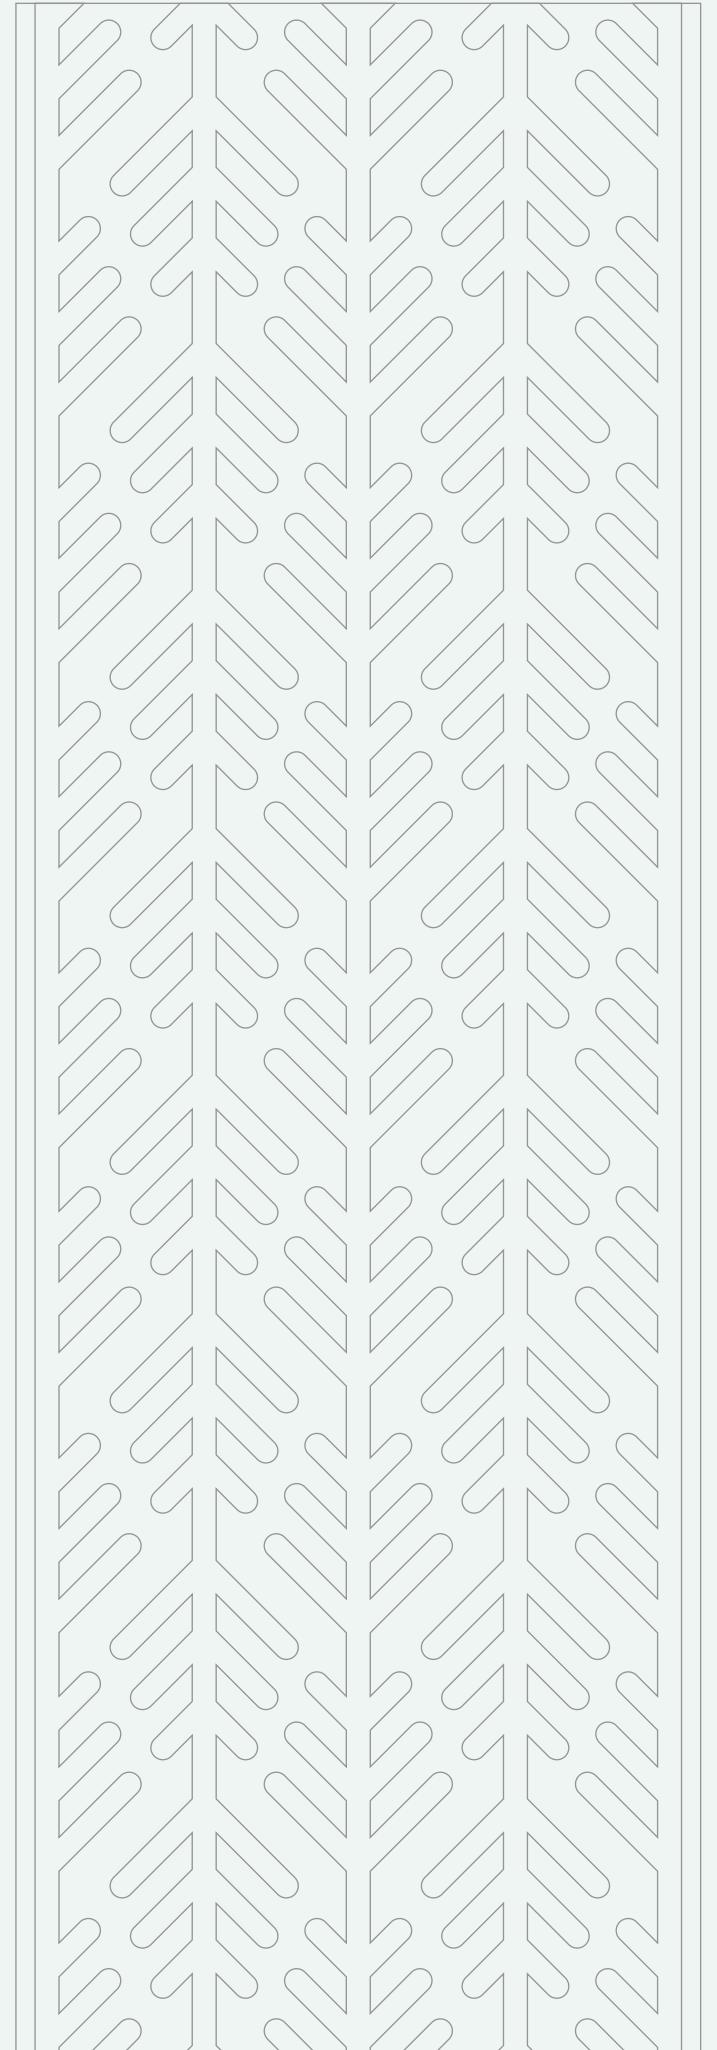

Embrace the zest of nature. Made from discarded orange peels, this eco-friendly material not only adds a vibrant splash of color but also emits a subtle citrus fragrance, infusing your interiors with freshness and vitality.

Wood Dust

Rediscover the beauty of wood. Crafted from carefully collected wood dust, it showcases the intricate patterns and textures found in natural wood, creating a warm and rustic atmosphere that brings nature indoors.

Rebrand

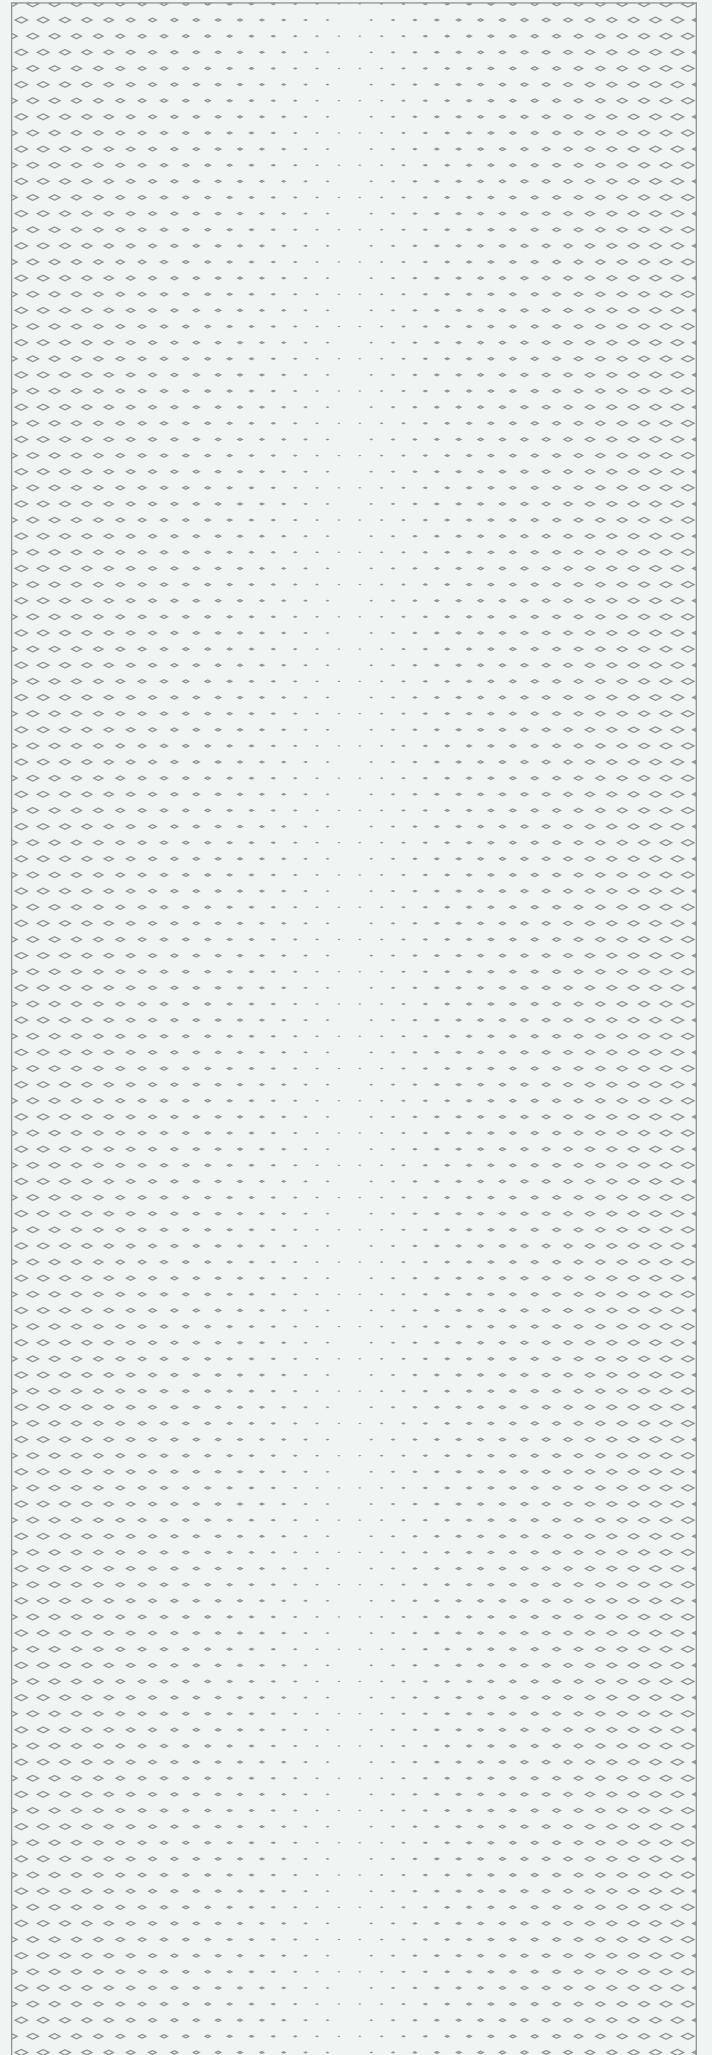

Create bespoke designs and finishes
from almost any material.

Sheet/roll size: 1000x3000mm

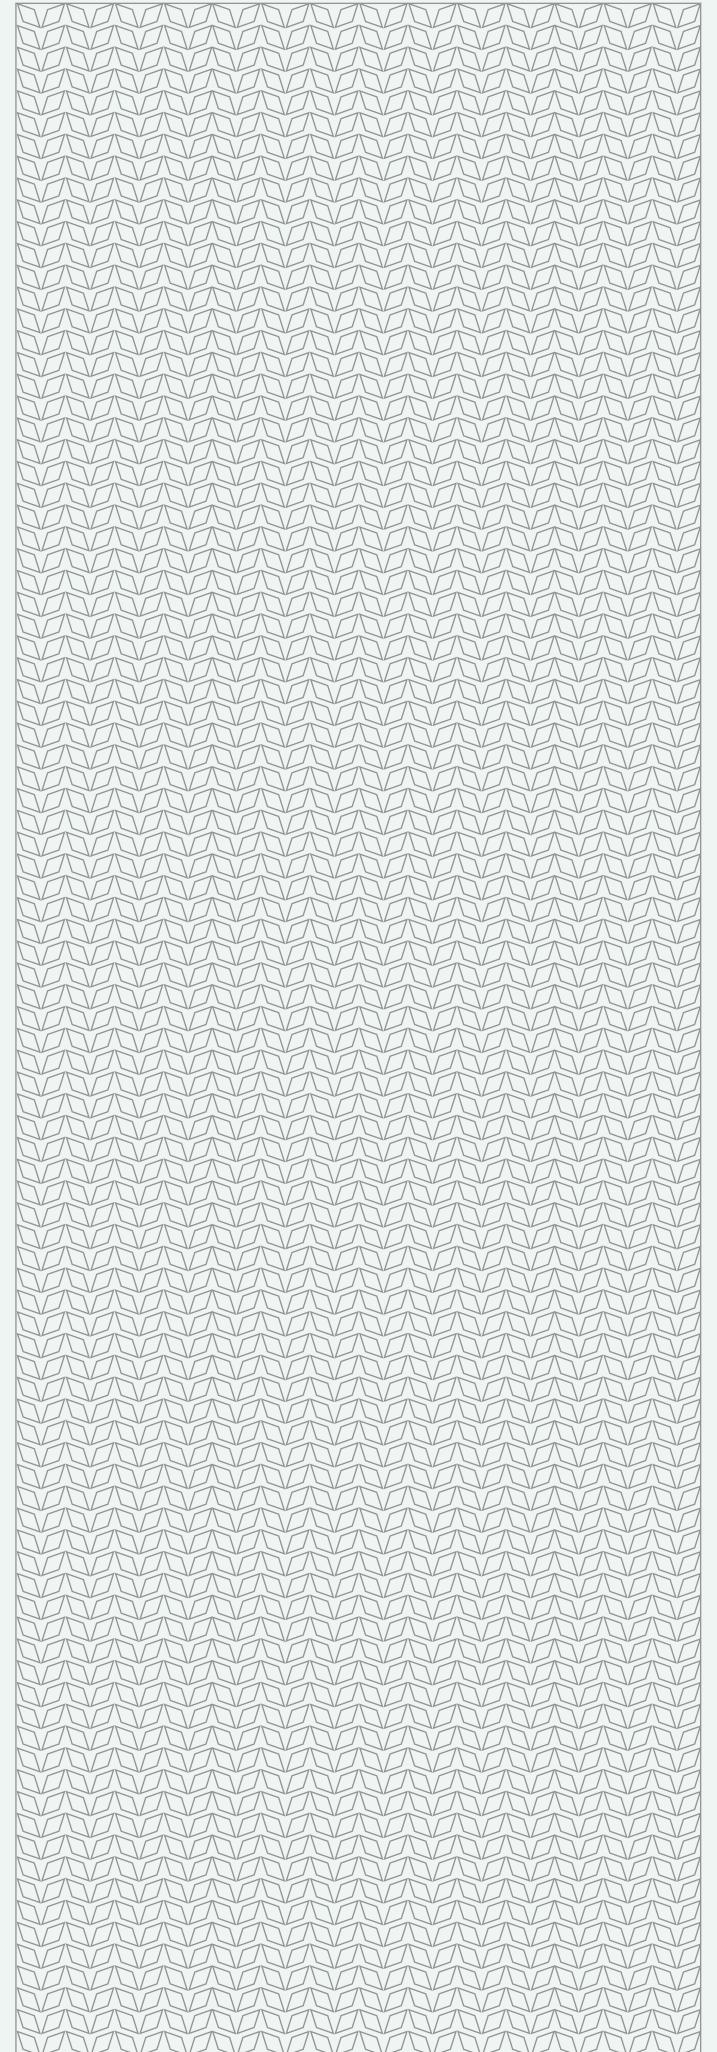

Wood Ash

Transform ordinary materials into extraordinary designs. Made from upcycled wood ash, it adds a touch of rustic charm and a unique texture to your space, creating a one-of-a-kind look that reflects your individual style.

Barley

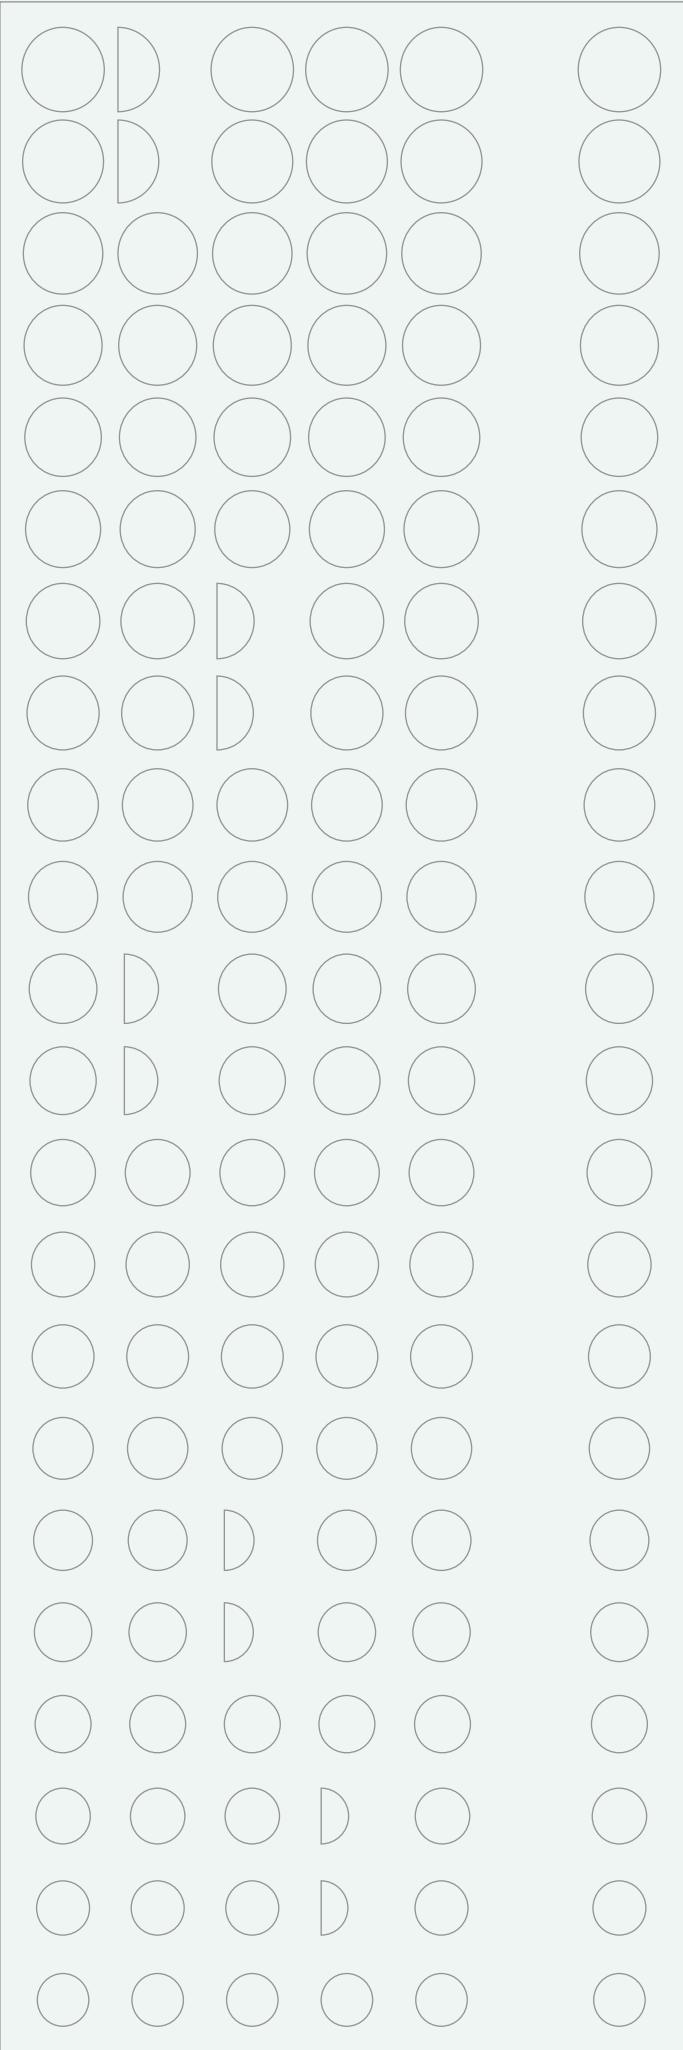

Elevate your interiors. Derived from barley, this sustainable material offers a warm and earthy aesthetic, reminiscent of golden fields. Let its natural beauty and versatile design possibilities inspire your creativity.

Marble

Experience timeless elegance. Created from repurposed marble remnants, it brings the luxurious look and feel of natural stone to your interiors. Each piece tells a unique story, adding sophistication and grandeur to your space.
